Rhythms of Peru Heidi Feldman, 2023-02-28 Winner of the IASPM s Woody Guthrie Award 2007 In the late 1950s to 1970s

an Afro Peruvian revival brought the forgotten music and dances of Peru s African musical heritage to Lima s theatrical

stages The revival conjured newly imagined links to the past in order to celebrate and to some extent recreate Black culture

in Peru In this groundbreaking study of the Afro Peruvian revival and its aftermath Heidi Carolyn Feldman reveals how Afro

Peruvian artists remapped blackness from the perspective of the Black Pacific a marginalized group of African diasporic

communities along Latin America s Pacific coast Feldman s ethnography of remembering traces the memory projects of

charismatic Afro Peruvian revival artists and companies including Jos Durand Nicomedes and Victoria Santa Cruz and Per

Negro culminating with Susana Baca s entry onto the global world music stage in the 1990s Readers will learn how Afro

Peruvian music and dance genres although recreated in the revival to symbolize the ancient and forgotten past express

competing modern beliefs regarding what constitutes Black Rhythms of Peru **Apocalypse Now** Damien Tricoire, Lionel

Laborie, 2022-08-03 Eschatology played a central role in both politics and society throughout the early modern period It

inspired people to strive for social and political change including sometimes by violent means and prompted in return strong

reactions against their religious activism From the fifteenth to the eighteenth century numerous apocalyptic and messianic

movements came to the fore across Eurasia and North Africa raising questions about possible interconnections Why were

eschatological movements so pervasive in early modern times This volume provides some answers to this question by

exploring the interconnected histories of confessions and religions from Moscow to Cusco It offers a broad picture of

Christian and to a lesser extent Jewish and Islamic eschatological movements from the fifteenth to the eighteenth century

thereby bridging important and long standing gaps in the historiography Apocalypse Now will appeal to both researchers and

students of the history of early modern religion and politics in the Christian Jewish and Islamic worlds By exploring

connections between numerous eschatological movements it gives a fresh insight into one of the most promising fields of
