The Gun Debate Glenn H. Utter, Robert J. Spitzer, 2016 With public perception of gun violence at an all time high this new edition is a must have resource for all libraries Providing 300 plus entries of in depth coverage this encyclopedia is exceptional for its balanced and unbiased approach to this controversial issue

Encyclopedia of Gun Control and Gun Rights Glenn H. Utter, 2000 A listing of the court cases personalities laws and groups involved in the regulation of guns The book begins with an essay on the issues in the gun control battle and a short guide to the court cases and groups involved placing them in the opposing camps The entries which are balanced and well written include photographs and charts Libr J

Encyclopedia of Gun Control and Gun Rights Glenn H. Utter, Robert J. Spitzer, 2011 With public perception of gun violence at an all time high this second edition of Encyclopedia of Gun Control and Gun Rights is a must have resource for all libraries

Gun Control in the United States Gregg Lee Carter, 2017-01-23 This up to date second edition work will stimulate and clarify readers thinking on the key issues surrounding guns in the United States especially on the debate over gun control Most public debate and discussion about guns in U S society is rarely guided by research not surprising as most individuals have a personal opinion on this highly inflammatory topic based on their upbringing or personal experiences Additionally most research about gun use in America is confusing and contradictory making it difficult for citizens to gain much from their attempts to investigate the topic objectively This book offers concise understandable coverage of all aspects of the issue including incidence of gun violence gun control gun rights government regulation legislation and court decisions gun organizations for gun control and for gun rights gun enthusiast subcultures for example hunters target shooters and collectors and U S attitudes toward guns Many of the covered topics are placed in historical and cross cultural perspective The new edition of Gun Control in the United States A Reference Handbook enables the reader to navigate and interpret the research to become sufficiently educated on any specific aspect of the gun issue to make an informed decision for example whether to support stricter or more lenient gun control whether to become a gun owner whether to support a particular political party or candidate or whether to develop or to refine a particular philosophy regarding guns Other aspects of the contemporary gun debate that are addressed include whether the Supreme Court's ruling that the Second Amendment guarantees an individual right will withstand future challenges whether the strong gun regulations used in Europe would be effective and applicable in reducing gun violence in the United States and whether the diversity explosion created by the high rate of immigration from countries where guns are strictly controlled will soon change the politics of the U S gun control debate

Gun Politics in America Harry L. Wilson, 2025-02-06 This two volume collection brings together 129 essential primary sources for understanding the history and evolution of gun rights and gun control in the USA from the colonial era to the present Every featured document is accompanied by explanatory materials that help readers understand the social and political context in which it appeared Utilizing a blend of important political speeches Supreme Court opinions

agency reports and congressional testimony this set provides readers with a front row seat to observe the complex and often surprising evolution of gun ownership gun culture and gun politics in the USA This fascinating history is examined through primary source documents covering centuries of American history from colonial laws regulating firearms through the era of Prohibition and the rise of organized crime to congressional hearings on gun control in the wake of the 2022 mass shooting in Uvalde Texas The set includes 19 new primary sources that shine a spotlight on notable events in the debate over guns since the first edition was published in 2016 including important developments during the first Trump presidency the pandemic and the opening years of the Biden administration Landmark Legislation 1774-2022 Stephen W.

Stathis,2024-03-15 This comprehensive up to date guide covers important laws and treaties enacted by the U S Congress This edition expands coverage to include the last five Congresses 2013 2022 which have seen landmark legislation across a broad spectrum of issues including infrastructure child welfare policy climate change conservation and public lands the COVID pandemic criminal justice cybersecurity semiconductors disaster assistance gun safety veterans health care and more

Guns in American Society Gregg Lee Carter,2012-05-04 Thoroughly updated and greatly expanded from its original edition this three volume set is the go to comprehensive resource on the legal social psychological political and public health aspects of guns in American life The landmark 2002 edition of *Guns in American Society An Encyclopedia of History Politics Culture and the Law* was acclaimed for helping readers get beyond the sometimes overheated rhetoric and navigate the overwhelming amount of unbiased academic research on gun related issues Now in light of the steady rate of gun violence and several high profile shooting incidents this extraordinary three volume work returns in a timely and thoroughly updated edition With over 100 new entries the latest edition of *Guns in American Society* is the most current resource available on all aspects of the gun issue including rates of violence gun control gun rights regulations and legislation court decisions pro and anti gun organizations gun ownership hunters and collectors public opinion toward guns and much more With expert contributions from the fields of criminology history law medicine politics and social science it gives students journalists policymakers and researchers a foundation for their own investigations while helping readers of all kinds make decisions as family members potential gun owners and voters The Gun Debate Glenn H. Utter,Grey House,Robert J. Spitzer,2016

Guns in American Society Jaclyn Schildkraut,Gregg Lee Carter,2022-12-01 The revised third edition of the landmark *Guns in American Society* provides an authoritative and objective survey of the history and current state of all gun related issues and areas of debate in the United States *Guns in American Society An Encyclopedia of History Politics Culture and the Law* is a comprehensive and evenhanded three volume reference resource for understanding all of the political legal and cultural factors that have swirled around gun rights and gun control in America past and present The encyclopedia draws on a vast array of research in criminology history law medicine politics and social science It covers all aspects of the issue gun violence including mass shootings in schools and other public spaces gun control arguments and organizations gun rights

arguments and organizations the firearms industry firearms regulation legislation and court decisions gun subcultures for example hunters and collectors leading opinion shapers on both sides of the gun debate technological innovations in firearm manufacturing various types of firearms from handguns to assault weapons and evolving public attitudes toward guns Many of these entries place the topics in both historical and cross cultural perspective The Gun Debate Grey House Publishing,2025-10-31 With public perception of gun violence at an all time high this new edition is a must have resource for all libraries Providing 300 plus entries of in depth coverage this encyclopedia is exceptional for its balanced and unbiased approach to this controversial issue **Book Review Index** ,2004 Every 3rd issue is a quarterly cumulation Law Books Published ,2000 *Index to Legal Periodicals & Books* ,2001 **West's Encyclopedia of American Law** Jeffrey Lehman,Shirelle Phelps,2005 Provides current information on more than 5 000 legal topics Includes completely revised articles covering important issues biographies definitions of legal terms and more Covers such high profile topics as the Americans with Disabilities Act capital punishment domestic violence gay and lesbian rights and physician assisted suicide *American Book Publishing Record* ,2003 **Exploring Gun Use in America: Public opinion** Greenwood Press,2004 Looks at all sides of the gun control issue in the United States including important Supreme Court cases the history of the firearms industry and the influence of the National Rifle Association in the debate **Guns in American Society [2 Volumes]** Gregg Lee Carter,2002-12-12 How Americans feel about guns is usually determined by personal experience rather than research results observes sociologist Gregg Lee Carter His goal in compiling *Guns in American Society* the most comprehensive single source of information on the gun issue is to help readers educate themselves Is the high rate of violence in the United States linked to the prevalence of guns or to a lack of social homogeneity and economic inequality Should there be support for stricter or more lenient gun control Should people carry concealed weapons for personal protection What exactly did the authors of the Constitution mean by the right of the people to keep and bear arms The encyclopedia doesn't tell readers how to answer these questions Instead it helps them sift through the latest thinking and research in the fields of criminology history law medicine politics and sociology providing objective information so they can make up their own minds **Exploring Gun Use in America: Children and guns** Greenwood Press,2004 Looks at all sides of the gun control issue in the United States including important Supreme Court cases the history of the firearms industry and the influence of the National Rifle Association in the debate Current Publications in Legal and Related Fields ,2001 **Bibliographic Index** ,2002
