The Reference Librarian's Bible Steven W. Sowards, Juneal Chenoweth, 2018-07-26 Divided into dedicated categories about the subjects most meaningful to librarians this valuable resource reviews 500 texts across all major fields Drawing on their collective experience in reference services and sifting through nearly 30 000 reviews in ARBAonline editors Steven Sowards associate director for collection at Michigan State University Libraries and Juneal Chenoweth editor of American Reference Books Annual curated this collection of titles most of which have been published

since 2000 to serve collections and reference librarians in academic and public libraries From the Encyclopedia of Philosophy and the Social Sciences and Encyclopedia of the Civil War to the Encyclopedia of Physics Encyclopedia of Insects and Taylor s Encyclopedia of Garden Plants to the formidable Oxford English Dictionary The Reference Librarian s Bible encompasses every subject imaginable and will be your first stop for choosing and evaluating your library s collections as well as for answering patrons questions

The Myth and Mystery of UFOs Thomas E. Bullard, 2016-10-17 When United Airlines workers reported a UFO at O Hare Airport in November 2006 it was met with the typical denials and hush up that usually accompany such sightings But when a related story broke the record for hits at the Chicago Tribune s website it was clear that such unexplained objects continued to occupy the minds of fascinated readers Why wonders Thomas Bullard don t such persistent sightings command more urgent attention from scientists scholars and mainstream journalists The answer in part lies in Bullard s wide ranging magisterial survey of the mysterious frustrating and ever evolving phenomenon that refuses to go away and our collective efforts to understand it In his trailblazing book Bullard views those efforts through the lens of mythmaking discovering what UFO accounts tell us about ourselves our beliefs and the possibility of visitors from beyond Bullard shows how ongoing grassroots interest in UFOs stems both from actual personal experiences and from a cultural mythology that defines such encounters as somehow alien and how it views relentless official denial as a part of conspiracy to hide the truth He also describes how UFOs have catalyzed the evolution of a new but highly fractured belief system that borrows heavily from the human past and mythic themes and which UFO witnesses and researchers use to make sense of such phenomena and our place in the cosmos Bullard s book takes in the whole spectrum of speculations on alien visitations and abductions magically advanced technologies governmental conspiracies varieties of religious salvation apocalyptic fears and other paranormal experiences Along the way Bullard investigates how UFOs have inspired books movies and television series blurred the boundaries between science science fiction and religion and crowded the Internet with websites and discussion groups From the patches of this crazy quilt he posits evidence that a genuine phenomenon seems to exist outside the myth Enormously erudite and endlessly engaging Bullard s study is a sky watcher s guide to the studies stories and debates that this elusive subject has inspired It shows that despite all the competing interests and errors clouding the subject there is substance beneath the clutter a genuinely mysterious phenomenon that deserves attention as more than a myth

American Myths, Legends, and Tall Tales Christopher R. Fee, Jeffrey B. Webb, 2016-08-29 A fascinating survey of the entire history of tall tales folklore and mythology in the United States from earliest times to the present including stories and myths from the modern era that have become an essential part of contemporary popular culture Folklore has been a part of American culture for as long as humans have inhabited North America and increasingly formed an intrinsic part of American culture as diverse peoples from Europe Africa Asia and Oceania arrived In modern times folklore and tall tales experienced a rejuvenation with the emergence of urban legends and the growing popularity of science fiction and conspiracy theories with

mass media such as comic books television and films contributing to the retelling of old myths This multi volume encyclopedia will teach readers the central myths and legends that have formed American culture since its earliest years of settlement Its entries provide a fascinating glimpse into the collective American imagination over the past 400 years through the stories that have shaped it Organized alphabetically the coverage includes Native American creation myths tall tales like George Washington chopping down his father s cherry tree and the adventures of King of the Wild Frontier Davy Crockett through to today s urban myths Each entry explains the myth or legend and its importance and provides detailed information about the people and events involved Each entry also includes a short bibliography that will direct students or interested general readers toward other sources for further investigation Special attention is paid to African American folklore Asian American folklore and the folklore of other traditions that are often overlooked or marginalized in other studies of the topic

What Happens Next? Gail de Vos, 2012-06-26 This fascinating book uncovers the history behind urban legends and explains how the contemporary iterations of familiar fictional tales provide a window into the modern concerns and digital advancements of our society What do ghost hunting legend tripping and legendary monsters have in common with email hoaxes chain letters and horror movies In this follow up to Libraries Unlimited s Tales Rumors and Gossip Exploring Contemporary Folk Literature in Grades 7 12 author Gail de Vos revisits popular urban legends and examines the impact of media online social and broadcast on their current iterations What Happens Next Contemporary Urban Legends and Popular Culture traces the evolution of contemporary legends from the tradition of oral storytelling to the sharing of stories on the Internet and TV The author examines if the popularity of contemporary legends in the media has changed the form role and integrity of familiar legends In addition to revisiting some of the legends highlighted in her first book de Vos shares new tales in circulation which she sees as a direct result of technological advancements

American Folklore Jan Harold Brunvand, 1996 Includes the major American folklore genres of custom folksong folktale games myth proverbs riddles and puzzles and superstition as well as entries covering some of the minor genres

MennoFolk Ervin Beck, 2004 Offered here are abundant examples of Mennonite jokes origin stories and trickster tales along with analysis of them in the context of Mennonite and Amish history culture and beliefs It also studies Mennonite and Amish paintings on glass family records and considers the Mennonite relief sales as folk festivals This is the first book to analyze such a wide range of expressive forms in Mennonite and Amish folk culture that have been learned by word of mouth 200pp color illus Herald Press 2004 Also read *MennoFolk2 A Sampler of Mennonite Amish Folklore* item 3016

The Vanishing Hitchhiker Jan Harold Brunvand, 2012-12-19 The groundbreaking book that launched America s urban legend obsession Folklore scholar Jan Harold Brunvand assembles the best known urban legends including The Hook The Spider in the Hairdo and The Baby Sitter and the Man Upstairs and provides an enlightening and entertaining analysis of their variants and evolution The Vanishing Hitchhiker was Professor Brunvand s first popular book on urban legends and it remains a classic The culmination of twenty

years of collection and research this book is a must have for urban legend lovers Letters to Ambrose Merton ,2002

Urban Legends Gillian Bennett,Paul Smith,2007-04-30 Presents the basic stories behind urban myths and legends from around the world along with examples of each and groups them by theme which includes city life horror accidents disease animals sex merchandise murder and the supernatural **American Reference Books Annual, 2002** Bohdan S.

Wynar,Libraries Unlimited,2002-05 This source of information on contemporary American reference works is intended for the library and information community It has nearly 1600 descriptive and evaluative entries and reviews material from more than 300 publishers in nearly 500 subject areas It should help the user keep abreast of reference publications in all fields answer everyday questions and build up reference collections *Midwestern Folklore* ,2004 **The Journal of American**

Folk-lore ,2008 **Béaloideas** ,2006 **Stories from Songs** Gail de Vos,2009 The sensational content of folk ballads makes them especially attractive to young adults In this fascinating study of folk ballads and their evolution you ll explore various renditions of such popular songs as Frankie and Johnny Stagolee Pretty Polly and Barbara Allen as well as lesser known ballads e g Lord Thomas and Fair Annet Twa Sisters and King Orfeo You ll learn about the origins of the stories how they have developed and changed over time traveled throughout countries and across oceans and ultimately evolved into literary forms such as poetry novels and graphic novels many of which are directed at young adults Citing numerous critical interpretations and commentary this book offers great insight into this genre of popular folk literature After an introduction to the form and its place in history the author explores various types of ballads e g child ballads border ballads broadside ballads An examination of modern and contemporary re workings of ballads organized by themes comprises the heart of the book Ballad types covered include tragic love stories murder ballads otherworld beings tricks and disguises and ballads from other cultures Oral origins and history critical interpretations re workings and current recordings are included for each ballad along with a list of resources
