End Timers Three Thousand Years Of Waiting For Judgment Day:

End-Timers Martin Ballard, 2011-08-17 This fascinating history surveys apocalyptic religion through time setting it within a political and social context *End Timers Three Thousand Years of Waiting for Judgment Day* examines the high and low points of millennial expectation across the centuries It shows how and why such beliefs first developed in antiquity and it explores how end timers influenced events as varied as the persecutions of Hellenistic ruler Antiochus Epiphanes and Roman Emperor Nero the Crusades the settlement of North America and the 20th century debacles at Jonestown and Waco Suggesting that anyone who wishes to understand the Middle East today needs to penetrate the background of modern fundamentalism within the three Semitic religions the author illuminates the part played by Christian Zionists in promoting the return of the Jews to the promised land and the resulting formation of the state of Israel as well as subsequent fundamentalist reactions within both Judaism and Islam He also follows the birth of the Christian Right in 19th century Britain and its development and growing influence in the United States Finally the book examines how religious end timers confront the four horsemen of the 21st century apocalypse world population increase depletion of natural resources advanced weaponry and global warming

The Grand Finale Anton Wessels, 2020-07-13 We often hear that we are living in apocalyptic times Wars like those in the Middle East are just more signs that the end is near That however is a misunderstanding of the message of the Bible and the Qur'an The basic meaning of apocalypse is disclosure revelation bringing to light what is happening now and what has happened throughout all of history The apocalypse is not about making predictions about the future but about determining who bears responsibility for injustice in the world In that sense all times including ours are apocalyptic though in a different way than what is usually thought Since the devastating Greek conquest of the world by Alexander the Great there have been apocalyptic insights and revelatory readings of the whole Hebrew Bible The same is true of the New Testament with Rome as the world power then The same apocalyptic message is confirmed by the Qur'an when the Byzantines and the Persians fought for mastery of the world The apocalyptic message is that God will put an end to the unjust dominion of violence money and lies God's kingdom will certainly arrive but not through violence after all there is no violence in God Diognetus **Christian Nation** ,1927 **Moore's Rural New Yorker** ,1898 **The Saturday Evening Post** ,1929 **The Southern Lumberman** ,1919 **Seaman's Magazine ...** ,1919
