Engendering The Fall Engendering The Fall:

Engendering the Fall Shannon Miller, 2008-06-25 Engendering the Fall argues that early seventeenth century women s writing influenced Paradise Lost while later seventeenth century texts reworked central aspects of Milton s epic in order to reconfigure the politically resonant gendered hierarchy laid out by the story of the Fall The Scriblerian and the Kit-Cats, 2007 Maximus the Confessor as a European Philosopher Sotiris Mitralaxis, Georgios Steiris, Marcin Podbielski, Sebastian Lalla, 2017-09-18 The study of Maximus the Confessor s thought has flourished in recent years international conferences publications and articles new critical editions and translations mark a torrent of interest in the work and influence of perhaps the most sublime of the Byzantine Church Fathers It has been repeatedly stated that the Confessor s thought is of eminently philosophical interest However no dedicated collective scholarly engagement with Maximus the Confessor as a philosopher has taken place and this volume attempts to start such a discussion Apart from Maximus relevance and importance for philosophy in general a second question arises should towering figures of Byzantine philosophy like Maximus the Confessor be included in an overview of the European history of philosophy or rather excluded from it as is the case today with most histories of European philosophy Maximus philosophy challenges our understanding of what European philosophy is In this volume we begin to address these issues and examine numerous aspects of Maximus philosophy thereby also stressing the interdisciplinary character of Maximian studies **The Yale Literary Magazine**, 1991 *Directing Learning in the High School* Walter Scott Monroe, 1927 Presents a coherent exposition of the basic principles of high school teaching as represented by the best of our educational thinking and practice **Index to Jewish Periodicals**, 2000 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests *Unphenomenal Shakespeare* Julián Jiménez Heffernan, 2023-01-16 In the aftermath of New Historicism and Cultural Materialism the field of Shakespeare Studies has been increasingly overrun by post theoretical phenomenological claims Many of the critical tendencies that hold the field today post humanism speculative realism ecocriticism historical phenomenology new materialism performance studies animal studies affect studies are consciously or unwittingly informed by phenomenological assumptions This book aims at uncovering and examining these claims not only to assess their philosophical congruency but also to determine their hermeneutic relevance when applied to Shakespeare More specifically Unphenomenal Shakespeare deploys resources of speculative critique to resist the moralistic and aestheticist phenomenalization of the Shakespeare playtexts across a variety of schools and scholars a tendency best epitomized in Bruce Smith s Phenomenal Shakespeare 2010 **Report of the Joint Standing Committee on Jones' Falls, to the First Branch of the City Council of Baltimore, October 7, 1870** Baltimore (Md.).
