Encyclopedia Of White Power A Sourcebook On The Radical Racist Right:

Encyclopedia of White Power Jeffrey Kaplan, 2000 This volume takes an objective look at the white supremacy movement since WWII in the United States and Europe and offers entries describing the people groups and themes that make up the radical racist right Some of the entries have been written by movement activists others by a variety of scholars The second half of the volume includes primary documents of resources circulated within the movement each prefaced by Kaplan American studies U of Helsinki Finland and placed in historical and scholarly context The material is at times offensive but presented in an academic way Annotation copyrighted by Book News Inc Portland OR **Apocalypse, Revolution and**

Terrorism Jeffrey Kaplan, 2018-09-21 This book focuses on religiously driven oppositional violence through the ages Beginning with the 1st century Sicari it examines the commonalities that link apocalypticism revolution and terrorism occurring in Judaism Christianity and Islam past and present It is divided into two sections This was Then and This is Now which together examine the cultural and religious history of oppositional violence from the time of Jesus to the aftermath of the 2016 American election The historical focus centers on how the movements leaders and revolutionaries from earlier times are interpreted today through the lenses of historical memory and popular culture The radical right is the primary but not exclusive focus of the second part of the book At the same time the work is intensely personal in that it incorporates the author's experiences in the worlds of communist Eastern Europe in the Iranian Revolution and in the uprisings and wars in the Middle East and East Africa This book will be of much interest to students of religious and political violence religious studies history and security studies **Homegrown Hate** Sara Kamali, 2022-04-19 Why are American citizens white

nationalists and militant Islamists committing acts of terrorism against their own country What are their worldviews and how do they compare Why is the current counterterrorism paradigm not working and what can be done to address this increasingly transnational peril from within Homegrown Hate is a groundbreaking and deeply researched work that directly juxtaposes militant Islamism and white nationalism in the United States By examining the self described grievances beliefs and rationales of the individuals who subscribe to these ideologies and detailing their respective organizational structures scholar and activist Sara Kamali provides compelling insight into the true threat to homeland security American citizens who are targeting the United States in accordance with their respective narratives of holy war She expertly explains what can be done lucidly providing hope in uncertain and divisive times Innovative and engaging Homegrown Hate is an indispensable resource for students policy makers and anyone who cares about the future of the United States **Encyclopedia of**
