Endings Invitations To Discipleship:

Endings Morna D. Hooker, 2003-10-01 In literary works endings are critical an author's conclusion to a story or an argument is intended to shape our understanding of the whole In this engaging and deceptively simple study a companion volume to her much praised *Beginnings* Morna D Hooker explores the final pages of each of the four Gospels and the book of Acts and attempts to uncover the specific messages that the Evangelists hoped to convey to their readers Nearly all of the Old Testament books have forward looking conclusions What then is the significance of the way in which these New Testament documents end

Jesus, Disciple of the Kingdom Osvaldo D. Vena, 2014-01-08 That Jesus started his career as a disciple of John the Baptist is an idea that has gained almost universal recognition in the scholarly world His coming from Galilee to be baptized by John in the river Jordan is the most compelling proof of Jesus subordination to John But quickly after John was executed Jesus started his own career not as a disciple anymore but as a teacher in his own right In this book Osvaldo Vena makes the claim that throughout his ministry Jesus remained a disciple not of John but of a higher power God and God's kingdom Thus Jesus called men and women to join him as co-disciples as he went about proclaiming the nearness of the kingdom through word and action In this work Vena contends that in the Gospel of Mark Jesus is presented as a prototype of true and faithful discipleship a model to be followed and imitated by ancient as well as contemporary believers This presentation amounts to an emerging Christology espoused by the early Markan community on the verge of destruction from outside forces specifically the Jewish Roman war as well as internal divisions resulting from struggles for power in the community

How John Works Douglas Estes, Ruth Sheridan, 2016-10-07 Essential classroom resource for New Testament courses In this book a group of international scholars go in detail to explain how the author of the Gospel of John uses a variety of narrative strategies to best tell his story More than a commentary this book offers a glimpse at the way an ancient author created and used narrative features such as genre character style persuasion and even time and space to shape a dramatic story of the life of Jesus Features An introduction to the Fourth Gospel through its narrative features and dynamics Fifteen features of story design that comprise the Gospel of John Short targeted essays about how John works that can be used as starting points for the study of other Gospels texts

Dictionary of Jesus and the Gospels (2nd edn) J B GREEN, J BROWN, N PERRIN, 2020-05-21 The Dictionary of Jesus and the Gospels is unique among reference books on the Bible the first volume of its kind since James Hastings published his Dictionary of Christ and the Gospels in 1909 In the more than eight decades since Hastings our understanding of Jesus the Evangelists and their world has grown remarkably New interpretive methods illumined the text the ever changing profile of modern culture has put new questions to the Gospels and our understanding of the Judaism of Jesus's day has advanced in ways that could not have been predicted in Hastings's day But for many readers of the Gospels the new outlook on the Gospels remains

hidden within technical journals and academic monographs The Dictionary of Jesus and the Gospels bridges the gap between scholars and those pastors teachers students and lay people desiring in depth treatment of select topics in an accessible and summary format The topics range from cross sectional themes such as faith law Sabbath to methods of interpretation such as form criticism redaction criticism sociological approaches from key events such as the birth temptation and death of Jesus to each of the four Gospels as a whole Some articles such as the Dead Sea Scrolls rabbinic traditions and revolutionary movements at the time of Jesus provide significant background information to the Gospels Others reflect recent and less familiar issues in Jesus and Gospel studies such as divine man ancient rhetoric and the chreiai Contemporary concerns of general interest are discusses in articles covering such topics as healing the demonic and the historical reliability of the Gospels And for those entrusted with communicating the message of the Gospels there is an extensive article on preaching from the Gospels The Dictionary of Jesus and the Gospels presents the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialog with contemporary scholarship and challenges facing the church

The Spirituality of Following Jesus in John's Gospel Sean Seongik Kim, 2017-10-12 Research on following Jesus has mostly been done in terms of what Jesus followers ought to do In this unprecedented study Kim presents following Jesus in John's Gospel through the perspective of what Jesus does for his followers Following Jesus is a journey towards the place where Jesus leads his followers that is to a relationship with the Father It is ultimately participating in the Son's communion with the Father Jesus who was in the bosom of the Father descended from him and ascends to him taking his followers with him so that they may be with him where he is with the Father in glory and love Kim develops this thesis by examining the term *akolouthēin* to follow and correlated motifs in John's Gospel **Hermathena**, 2005 *Bible Review*, 2004 *Toronto Journal of Theology*, 2003 Character Ethics and the New Testament Robert L. Brawley, 2007-02-16 Throughout the New Testament the Gospel stories the sayings of Jesus and the writings of Paul not only teach a way of life that requires individuals to be moral but they demonstrate how In biblical studies character ethics has been one of the fastest growing areas of interest Whereas ethics usually studies rules of behavior character ethics focuses on how people are formed to be moral agents in the world Here editor Robert Brawley presents the most up to date academic work in New Testament character ethics covering topics throughout the Gospels and Paul as well as focusing on the essential topics of forgiveness reconciliation politics and peacemaking In addition to Brawley contributors are C Clifton Black Neil Elliott Jens Herzer L Ann Jarvis Sylvia C Keesmat Jae Won Lee J Clinton McCann Jr Elna Mouton C Drew Smith Glen Stassen Willard M Swartley Allen Verhey and Jinseong Woo *Elenchus of Biblica*, 2003
