

## Excel Lesson 5

### Overview

- Watch the Excel Lesson 5 Video
- Using the L5\_Titan\_Inventory\_Summary Excel file, complete the worksheet using the instructions below saving it as "firstName\_lastName\_L5\_Titan\_Inventory\_Summary".
- Complete the Lesson 5 Quiz using the completed worksheet.

### Objectives

1. Duplicate spreadsheets.
2. Consolidate data using 3-D referencing.
3. Highlight data using conditional formatting.

### Lesson Instructions

**Background:** You will be completing a Summary Inventory worksheet for the Titan Off-Campus Shops based on focused product inventories of individual stores. You will also be highlighting inventory values that fall below acceptable amounts. The workbook you will use is the L5\_Titan\_Inventory\_Summary file. This workbook contains inventory worksheets for individual stores (which are complete and you will leave alone), and a Focused Products Inventory sheet for one of the stores (which you will use). Open the file and complete the following instructions. (Note: when no specific cell reference is given, you are to use your best judgement based upon how the worksheet is set up for you to decide what cells are involved or where a result should be placed.)

1. Re-save the file to either your desktop or other storage device using the name "firstName\_lastName\_L5\_Titan\_Inventory\_Summary". (Note *firstName* and *lastName* are your own first and last names).
2. Create three additional "Focused Products" worksheets, one for the Placentia Store, one for the Harbor Store, and one to be used as a summary, by making copies of the "Focused Products – Chapman" worksheet.
3. Correct the new worksheets subtitles by replacing the words "Chapman Store", to "Placentia Store", "Harbor Store", and "Summary" respectively. Also, re-name the worksheet tabs to "Focused Products – Placentia", and "Focused Products – Harbor", and "Focused Products-Summary".
4. Re-order the four "Focused Products" worksheets so that the Summary is first, followed by Chapman, then Harbor, and finally Placentia.
5. Replace the inventory quantities on the Focused Products – Harbor, and Focused Products – Placentia sheets to the values below.

# Excel Lesson 5 Study Guide
