## **Exodus Chapters 1 18 Thru The Bible Commentary Series Vol 4:**

*Thru the Bible Commentary* Dr J McGee,1993-12-12      *The Ageless Name of God* Dr. Daryl Brock,2024-12-02 God's personal name is eternal divine and beneficial Exod 3 15 The intrinsic nature of our all powerful God is revealed in His name Isa 45 23 Matt 1 21 Phil 2 10 Seeking the meaning of HIS name provides priceless insight regarding the nature of God Applying the meaning of His name changes lives Our dysfunctional world is becoming more and more dangerous The world's dysfunction ruins lives but there is an answer Jesus is the answer God created the church as a sanctuary for His people not to hide in but to ultimately operate from within to positively affect our world The sons of God i.e. born again Christians are His kingdom ambassadors representing His policies counteracting the effects of the communicable disease called sin The Bible declares that we labor together with God 1 Cor 3 9 2 Cor 6 1 to destroy the works of the devil 1 John 3 8 But some are fearful 2 Tim 1 7 and don't know what to do or how and where to get started The ramification of this ignorance is both grim and catastrophic God declares that His people are ruined destroyed for the lack of knowledge and that this lack of knowledge is disastrous to our children Hos 4 6 Please do not reject the call and revelation of God Displaying the revelation that is God is the highest most noble characteristic of the sons of God Seeking God's will and presence is the best way to address any problem however heinous the issue 2 Chron 7 14 To that end one of the tools that God has given us is the authority reflected in HIS name This revelation knowledge is precious Look at what God says I will set him on high because he hath known my name Ps 91 14 This book will help in your journey to know and please God It can become your importantly indispensable reference tool if you use it      Liberation Theology and Its Critics Arthur F. McGovern,2009-08-01 From its beginnings liberation theology has provoked a wide and diverse range of responses from a multitude of critics theological methodological political ecclesiastical Liberation Theology and Its Critics is a comprehensive and systematic explication of these diverse criticisms as well as a reasoned and rigorous defense of liberation theology McGovern states his aim thus to understand better the world of Latin America and the culture and conditions which prompt a liberation theology while at the same time giving expression to some of the misgivings that many US Americans experience when reading about liberation theology Liberation Theology and Its Critics begins by discussing the place of theology itself in liberation theology The book offers an historical overview shows us what liberation theologians see as most distinctive in their work addresses the biblical interpretations and major areas of theology stressed by liberation theologians and discusses other theologians' critiques Next McGovern explicates the use of social and political analysis in liberation theology which has been one of the areas of particular controversy He focuses on such issues as dependency theory Marxism class struggle socialism and the Nicaraguan revolution addressing throughout the concerns raised by a range of critics from the Vatican to Michael Novak Finally McGovern explores the role of the church and how liberation theology is lived out in practice He examines base communities ecclesiology current political trends in Latin America the varying status of liberation theology as well as its most recent

developments McGovern demonstrates that liberation theology encompasses a wide spectrum of theologians with different styles and emphases It requires careful study non polemical debate and an honest effort to present the views of both liberation theologians and their critics fairly McGovern s book will be the benchmark against which subsequent work is measured *Religious Books and Serials in Print, 1980-1981* ,1980 *Reading the Bible in Islamic Context* Daniel Crowther,Shirin Shafaie,Ida Glaser,Shabbir Akhtar,2017-11-08 In the current political and social climate there is increasing demand for a deeper understanding of Muslims the Qur an and Islam as well as a keen demand among Muslim scholars to explore ways of engaging with Christians theologically culturally and socially This book explores the ways in which an awareness of Islam and the Qur an can change the way in which the Bible is read The contributors come from both Muslim and Christian backgrounds bring various levels of commitment to the Qur an and the Bible as Scripture and often have significantly different perspectives The first section of the book contains chapters that compare the report of an event in the Bible with a report of the same event in the Qur an The second section addresses Muslim readings of the Bible and biblical tradition and looks at how Muslims might regard the Bible Can they recognise it as Scripture If so what does that mean and how does it relate to the Qur an as Scripture Similarly how might Christian readers regard the Qur an The final section explores different analogies for understanding the Bible in relation to the Qur an The book concludes with a reflection upon the particular challenges that await Muslim scholars who seek to respond to Jewish and Christian understandings of the Jewish and Christian scriptures A pioneering venture into intertextual reading this book has important implications for relationships between Christians and Muslims It will be of significant value to scholars of both Biblical and Qur anic Studies as well as any Muslim seeking to deepen their understanding of the Bible and any Christian looking to transform the way in which they read the Bible *Faces Beyond Sacred Walls* B. R. Mims,2012-03-02 *Faces Beyond Sacred Walls* is not a how to book as much as it is one for individual and church corporate self reflections about their social advocacy role to the community of the poor and oppressed The author takes the reader on a self examining journey through the difficult and often painful introspective process for addressing the Church s social advocacy role in response to God s original mandate for the poor found throughout the Bible Using Luke 4 18 19 21 as his foundational biblical principle for writing the author stresses the Church by divine design has a dual role evangelism salvation and mission benevolence or poverty relief In any given context they may and should complement each other However there should be no conflict between ones commitment as disciples to evangelism and poverty relief They are hand in hand Through biblical narratives the author brings the reader to focus on inner conviction about the advocacy s role of the local church He begins with the premise that the fundamental starting point for transformation and social engagement is our recognition of the integral value in humanity the beauty of God so often hidden by sin and failure and pain and brokenness As you read you will discover the artful dialogue the author implores in highlighting the importance of self examination towards transformation and social engagement for the purpose of

calling the body of Christ in local churches to committed service and ministry to the community of the poor and oppressed The author makes it plain that if it is our goal to know Christ and make Him known then Christ will reveal Himself to us as we come face to face with the least of these in ways we will never meet Him in a Bible study prayer meeting or sermon The author painstakingly argues and engages the reader through such subject matters as God s Mandate for Social Advocacy The Early Church Concerns for the Poor Theological Claims for Social Engagement The Church s Answer to Poverty Leadership Paradigm Shift Social Advocacy Challenges and Rethinking Programs of the Church Each subject is designed to present a forum for relevant conversation for anyone concerned about the plight of the poor poverty lack of relief or means of navigating the bureaucratic system to access such relief and the role of the church in such a situation Using the idea of walls the reader is drawn into an opportunity for serious reflection and dialogue about church community relationships Important because as the author explains beyond our specific sacred walls you will find the many obscure faces of a socially hurting society faces that tell stories Too often they are specific faces reduced to nothing more than statistics and at deeper level testimonies against churches in their community of influence They are the poor deemed marginalize by way of costs spent on their behalf and needs that remain unfulfilled Seldom are they seen as individuals with personalities and considered as deserving of respect They are nothing more than obscure faces waiting to be acknowledged The conclusion of the author is the church has an obligation to engage the entire membership in a journey of discovery about what God is calling them to be to know and to do in their lives and how they can exercise that calling through the church It is the journey to understand oneself as living in the presence of God and actively engaging in the disenfranchised poor and oppressed community for relief from injustice brokenness and suffering The world is watching to see who truly loves others enough to take action God is watching to see who is like Him and will love a poor and needy world One thing for sure when the church collectively and individually makes social advocacy a priority in its life and ministry it can never expect to be the same *I Am Jonah* Brad Carr,2023-08-15 Almost everyone has heard about Jonah and the Whale right The kids story about the runaway prophet getting swallowed by a big fish But what if it was more than just a simple children s story or a fictitious myth from ancient times This book explores this famous biblical tale showing that the story of Jonah is actually a brilliantly written narrative that has been skillfully woven together As we follow Jonah s story what we discover is not just a window into Jonah s life but a mirror into our own We are all Jonah and like the runaway prophet we all have much to learn about the grace of God
