Exorcism A Christian Manual:

A Manual on Exorcism H. A. Maxwell Whyte, 1974 Freedom from evil spirits is one of the blessings purchased for us at Calvary by the Lord Jesus H A Maxwell Whyte discusses forty five questions about demons and how they can be defeated He provides clear helpful explanations that will make sense to anyone searching for the truth about demons and exorcism *A History of Exorcism in Catholic Christianity* Francis Young, 2016-04-27 This book traces the development of exorcism in Catholic Christianity from the fourth century to the present day and seeks to explain why exorcism is still so much in demand This is the first work in English to trace the development of the liturgy practice and authorisation of exorcisms in Latin Christianity The rite of exorcism and the claim by Roman Catholic priests to be able to drive demons from the possessed remains an enduring source of popular fascination but the origins and history of this controversial rite have been little explored Arguing that belief in the need for exorcism typically re emerges at periods of crisis for the church Francis Young explores the shifting boundaries between authorised exorcisms and unauthorised magic throughout Christian history from Augustine of Hippo to Pope Francis This book offers the historical background to and suggests reasons for the current resurgence of exorcism in the global Catholic Church *Christian Guide To Mental Illness Vol 2* Stephen M Saunders, 2019-07-01 How many people suffer from mental illness Did you know that one in five people including Christians will suffer from a mental illness in any given year This shocking statistic means that many churches will have families who are affected by and struggling with mental illness This second entry in a two volume set about mental illness by Dr Stephen Saunders will help you respond to these difficult circumstances and directing Christian brothers and sisters to the care and support they need while also reminding them of their Savior s love A Christian Guide to Mental Illness Volume 2 details how core ideas about mental illnesses and their treatments have changed over time The book also offers guidance to pastors and church workers who wish to provide practical assistance to the people they serve You will learn how to begin the vitally important conversation on mental illness prepare for crisis management recognize the need for professional treatment assist loved ones and share with everyone impacted by mental illness the spiritual comfort that only comes from God s Word As he did in Volume 1 Dr Saunders demonstrates in this book a thorough understanding of essential Christian teachings Both church leaders and church members will find assistance and encouragement in this book as they reach out to family and friends affected by mental illness **Manual on Demonology** Roy Bryant, 1997-11-01 Hardback Book by veteran in the deliverance ministry Deliverance topics include What is Demonology Biblical proofs of the works of Satan Sexual Abuse Incest Rape Infertility Guilt Shame Depression Death Homosexuality Pornography Adultery Divorce Jezebel Hatred of Opposite Sex Criticism Domineering Multiple Personalities Family Curse Rebellion Jealousy Eating Disorders Controlled Substances Witchcraft Occult Psychics Sorcery and more *A Christian's Guide through the Gender Revolution* Vincent E. Gil, 2020-12-22 Contemporary questions about gender challenge our views of ourselves and the proverbial other In this

meticulously researched well written and illuminating guide Vincent Gil unpacks elements involved in gender identity conflicts and intersexuality At the heart of the matter are real people not just issues Drawing on histories culled from his many years as counselor professor and researcher Gil explores gender and identity issues of conflict and of reconciliation He distinguishes biological and psychological elements from social issues and addresses the current movement of gender individuation its language idioms and its influences on gender ideology and theology He also provides an engaging theological discourse filling gaps in our understanding of procreation to better inform our theology of being The work assists Christian parents clergy and lay leaders by working through the tough questions It suggests means to engage counsel support and reconcile with those gender questioning or conflicted be they children adolescents or adults **Dealing with**

Demons Bob Larson,2016-06-21 How Do You Know When You re Dealing with Demons Though many of life s problems have natural causes in the back of our minds there is one question that must be considered Is it the devil How do you know if your problem is the result of life choices or a demonic influence With a ministry spanning several decades exorcist Bob Larson

Exorcism Lester Sumrall,1991 Why we can t pretend demons don t exit What did Jesus say about demons How does a person get possessed Can a Godly believer be possessed This is a remarkable book full of easy to understand instruction a manual for the serious question asking Christian **Fight Valiantly** Tom Clammer,2019-06-30 There is a clear lack in the

Church of England of a coherent and thought through treatment of evil and the devil within the texts which the Church of England traditionally identifies as the repositories of doctrine Focusing on initiation healing and deliverance liturgies within the church Fight Valiantly seeks to rectify that defecit considering the Church of England s liturgical practice in the parishes and highlighting the present danger of worshippers receiving an inconsistent and potentially incoherent account of the relationship with evil **Deliverance from Evil Spirits** Francis MacNutt,1996-06-20 Deliverance from Evil Spirits Dr.

Francis MacNutt,2009-02 A guide to deliverance ministry explains the biblical record and clarifies what a deliverance ministry is and how it functions in the church of today **The X-Manual** Peter J. Bellini,2022-04-07 The title of the book The X Manual is taken from the word exousia from the subtitle It is the Greek word for authority The word is used throughout the New Testament For our purposes it is used to express the divine authority or right to cast out demons I have given you authority exousia to trample on snakes and scorpions and to overcome all the power of the enemy nothing will harm you Luke 10 19 NIV Jesus gives believers authority to cast out demons This book is about spiritual authority over evil The X Manual is a practical how to handbook for clergy and laity on deliverance and exorcism One reason I wrote the book is because so few understand and or operate effectively in deliverance ministry Nowhere is the church more inadequate or excessive than in deliverance ministry The X Manual contains specific time tested biblical instructions on selecting and training a deliverance team pre deliverance work the deliverance session post deliverance work and other useful tools like the C1 13 instrument that helps determine if one needs deliverance Deliverance is essential to the church s New Testament healing and

evangelism ministry It is time for the church to walk in the authority and power that Christ gave us to set the captives free
