## **Executing God Rethinking Everything Youve Been Taught About Salvation And The Cross:**

Executing God Sharon L. Baker,2013-11-18 Why did God have to murder his only son to pay our debts What kind of vengeful violent God can only be satisfied by vicarious blood atonement In *Executing God* theologian Sharon Baker presents a biblically based and theologically sound critique of popular theories of the atonement Concerned about the number of acts of violence performed in the name of God Baker challenges cultural assumptions about the death of Jesus and its meaning to Christians She ultimately offers a constructive alternate view of atonement based on God s forgiveness that opens up salvation to a wider group of people

**Razing Hell** Sharon L. Baker,2010-08-23 The idea of hell can haunt dreams and disturb sleep Many wonder at the justice or injustice of it all feeling confounded by a God who deems it necessary to send the majority of humanity to burn there forever Seventy percent of Americans believe in hell as do ninety two percent of those who attend church every week Clearly it s a hot topic Baker offers readers a safe space to contemplate tough issues as they rethink traditional views of hell In her candid and inviting style Baker explores and ultimately refutes many traditional views of hell presenting instead theologically sound ways of thinking that are more consistent with the image of God as a loving creator who desires to liberate us from sin and evil This is an excellent selection for general readers students pastors professors and grief counselors and will provide clarity for those with questions about hell God s judgment and what happens to us when we die

The Cross in the Midst of Creation Sharon Delgado,2022 The Cross in the Midst of Creation asserts that the crucifixion is ongoing as institutional powers diminish human life and destroy creation and that the resurrection is ongoing as faith overcomes despair and the Spirit equips people to follow Jesus and to struggle for a transformed world

**Challenged: Living Our Faith in a Post Modern Age** John King,2019-12-03 My wife and I love our sons unconditionally and equally Talking with one of them about his atheism has brought me to a new dimension in my relationship with him to a review of my own christian beliefs to a more critical examination of the church and to a different understanding of ministry in today s world As personal as I make this all sound my family represents a thousand families a hundred thousand and more who have sat in painful silence because religious differences have taken away their voice They tire of confrontation angry discussions verse hurling and jabbing one another with theories over every conceivable divisive issue It is a powerful idea that those who do not share our faith should know that we do not so much in our argument as in our love It is time to listen

*A Nonviolent Theology of Love* Sharon L. Baker Putt,2021-02-02 The impetus behind the ease with which the church has periodically justified violent behavior lies in its conceptual image of God as a violent deity This book emerges out of a passion to think differently albeit biblically about the character of God and articulates a theological construction of a nonviolent God an alternative to any image of God that seems to condone human violence It calls the church to rethink theology as something other than what might be termed redemptive violence and encourages Christians to reinterpret Scripture and traditional theological beliefs in ways that are more faithful to the God disclosed in Jesus of

Nazareth Students of theology need a fresh glimpse of the love mercy and redemptive power of God through Jesus As it follows the structure of the Apostles Creed through the various theological topics this book reminds Christians to share in God s desires for peace and love and to recommit themselves to the call of God to be ministers of reconciliation and lovers of both neighbors and enemies even while at times responding to violence with nonviolent resistance *The Devil's Redemption : 2 Volumes* Michael J. McClymond,2018-06-05 2018 Book Award Winner The Gospel Coalition Academic Theology A Choice Outstanding Academic Title for 2019 Will all evil finally turn to good or does some evil remain stubbornly opposed to God and God s goodness Will even the devil be redeemed Addressing a theological issue of perennial interest this comprehensive book in two volumes surveys the history of Christian universalism from the second to the twenty first century and offers an interpretation of how and why universalist belief arose The author explores what the church has taught about universal salvation and hell and critiques universalism from a biblical philosophical and theological standpoint He shows that the effort to extend grace to everyone undermines the principle of grace for anyone *Thinking Theologically about Mass Incarceration* Antonios Kireopoulos,Mitzi J. Budde,Matthew D. Lundberg,2017 This book is the fruit of a multi year dialogue among Christian churches in the United States addressing from theological perspectives mass incarceration as an issue in need of radical reform **The Palgrave Handbook of Mimetic Theory and Religion** James Alison,Wolfgang Palaver,2017-10-19 The Palgrave Handbook of Mimetic Theory and Religion draws on the expertise of leading scholars and thinkers to explore the violent origins of culture the meaning of ritual and the conjunction of theology and anthropology as well as secularization science and terrorism Authors assess the contributions of Ren Girard s mimetic theory to our understanding of sacrifice ancient tragedy and post modernity and apply its insights to religious cinema and the global economy This handbook serves as introduction and guide to a theory of religion and human behavior that has established itself as fertile terrain for scholarly research and intellectual reflection **Speak Your Peace** Ronald J. Sider,2020-02-04 Is nonviolence irresponsible Is peacemaking na ve From one of the most respected and prophetic voices in Christianity today comes Speak Your Peace Ronald J Sider author of the influential Rich Christians in an Age of Hunger plumbs Scripture building a persuasive case that Jesus meant what he said when he commanded us to love our enemies With candor and logic Sider takes on enduring questions about violence and nonviolence showing how the contemporary church in a warring world has largely set aside Jesus call to love our enemies and traded its birthright in Christ for a stew of nationalism and militarism But ignoring what Jesus said about killing is a huge theological mistake Returning us to the inescapable call of the Son of God Sider reminds the church of its true vocation in a world of hatred and war **Bloodless Atonement?** Benjamin J. Burkholder,2017-06-27 Does the Messiah have to die to pay for his people s sins Is the cross of Jesus an atoning sacrifice In recent decades a burgeoning number of theologians have answered the aforementioned questions in the negative In fact some like Rene Girard have gone so far as to assert that seeing the cross as an atoning sacrifice undermines the very essence

of the New Testament Gospels While Girard and others following in a similar vein have offered provocative alterations to soteriology that no longer need Jesus's death to acquire forgiveness from God does a bloodless atonement have biblical support Does a nonviolent understanding of the atonement harmonize with the Gospels This particular volume answers these questions with a fresh look at the Synoptic portraits of the Last Supper accounts In them Jesus expounds upon the significance of his death by using the Passover symbols of bread and wine More importantly in these passages in the Gospels we find the fullest articulation of how Jesus's death benefits his followers Holding a wealth of dense theological riches these passages provide theological parameters that can inform contemporary soteriological development especially that which appeals to the New Testament for its basis Conversant with both biblical studies and contemporary theology the work seeks to bring the best of both fields into conversation in productive new ways Overhaul Your Religious Mindset R. Z.

Pierre, 2018-02-03 What is Truth After fifteen years of Christianity I came to the startling realisation that what I deemed to be truth was in fact a lie or rather unfounded traditions that I was brainwashed into believing as the truth INDOCTRINATION Isn't it amazing to see that the religious brainwashing of the christian is quite the equivalent of being taught to believe that 2 + 2 is equal to 5 or 7 or 9 training or brainwashing you to voluntarily surrender your ability to think for yourself reason for yourself and not question the results all under the disclaimer that God works in mysterious ways or don't question God His ways are higher than ours Who else would teach you to not think but Satan himself when the Creator God Almighty instilled in your very core the ability to reason and analyse The works of King Solomon in Scripture are dedicated to this truth Being reduced to robots and unintelligent lifeforms we are taught to live in Satan's fellowship with the confession of Jesus the Christ What a skilled and carefully thought out deception that is indeed How is it that no one in this training of unintelligence EVER have a moment of light where they would stop and realize that the very religion that they pledge allegiance to is in fact a system of faith started by another man that had his own uncontextual as well as unfounded thoughts of how Jesus should be served and all based on his/her pagan familiarity of pleasing god This indoctrination preaches and promises particular and specific results and simultaneously never sees not even 1% of what it promises For centuries the popular church institutions made it a priority to maintain the separation of God and science and so successfully trained the masses into helpless robots enslaved to the mysterious God that they themselves cannot access via their composition of rules and methods Truth is a Person John 14:6 And that Person is Jesus Christ Open your eyes If you belong to a christian religion or rather hold fast to a particular religious denomination for your Salvation you have been taught about Jesus You have never formally met Him Truth is consistent Never sporadic in this book I present both basic theoretical rectifications accompanied by practical experimental confirmation to concepts in Christ that have been misunderstood and have escaped the average Christian for a long time Overhaul your mindset Christ is in YOU It is indeed FINISHED Together Again John C' de Baca, 2014-03 Is your spiritual life just ho hum Or are you a committed Christian who is well acquainted with the Bible Either way this book is for

you It s a fistful of fresh truth that smacks you right in the face It s an unnerving eye opening expos of basic Christian beliefs to jolt you into wakefulness and point you to the truth You ve probably been committing idolatry unawares Your ideas about God death the creation salvation the cross and other vital issues you thought you knew will be turned on their head This is not a feely touchy book on self improvement It s a dagger thrust to the heart of what the churches of Christianity have wrongly taught for centuries It s aimed at your head not your emotions or feelings And yet it s passionately written by a committed Bible believing Christian It won t leave you in the dumps or destroy your faith It will inspire you to higher aspirations bigger dreams and larger vistas Here is the truth undiluted and full strength God wants you to share in his very inner being But first you must be deprogrammed You must leave behind the false beliefs in which you were indoctrinated This book will help you do just that Deliverance from the Power and Penalty of Sin Orson R. Palmer,2019-02-01 Giving thanks unto the Father Who hath delivered us from the power of darkness and hath translated us into the kingdom of his dear Son Colossians 1 12 13 Awake Awake slumbering church and clothe yourself with the garments of your Lord s salvation and righteousness He waits to be gracious to you Return unto your first love before the candlestick is removed Purge the leaven of wickedness and dishonesty from your midst Spurn the honey of the world and let us cleanse our garments from the stains of seeking pleasure commercialism and worldliness Let us refrain from the entertainment moneymaking craze that is now resting upon us Let us deny ourselves take up our cross and follow Christ Table of Contents 1 The Wisdom of God in the Cross 2 The Love of God in the Cross 3 The Power of God in the Cross 4 If Any Man Sin 5 He Is Faithful to Cleanse 6 God s Faithfulness 7 God s Indwelling 8 Whom are You Serving 9 Spiritual Laws 10 In Dark Places 11 Offenses 12 Victory or Defeat 13 Pressing On for the Prize 14 The Test of Faith 15 Having Done All to Stand 16 The Coming of the Lord
