Exploit Harry Classic Detective Carrados:

The Last Exploit of Harry the Actor (A Classic Short Story of Detective Max Carrados) Ernest Bramah, 2016-01-18

This early work by Ernest Bramah was originally published in 1914 and we are now republishing it with a brand new introduction. The Last Exploit of Harry the Actor is a mystery of an unexplainable bank robbery. Ernest Bramah Smith was born near Manchester in 1868. He was a poor student and dropped out of the Manchester Grammar School when sixteen years old to go into the farming business. Bramah found commercial and critical success with his first novel *The Wallet of Kai Lung*, but it was his later stories of detective Max Carrados that assured him lasting fame. *The Last Exploit of Harry the Actor, the Original Classic Short Story* Ernest Bramah, 2015-04-20. The one insignificant fact upon which turned the following incident in the joint experiences of Mr Carlyle and Max Carrados was merely this: that having called upon his friend just at the moment when the private detective was on the point of leaving his office to go to the safe deposit in Lucas Street Piccadilly, the blind amateur accompanied him and for ten minutes amused himself by sitting quite quietly among the palms in the centre of the circular hall while Mr Carlyle was occupied with his deed box in one of the little compartments provided for the purpose. The Lucas Street depository was then it has since been converted into a picture palace generally accepted as being one of the strongest places in London. The front of the building was constructed to represent a gigantic safe door and under the colloquial designation of *The Safe* the place had passed into a synonym for all that was secure and impregnable. Half of the marketable securities in the west of London were popularly reported to have seen the inside of its coffer at one time or another together with the same generous proportion of family jewels. However exaggerated an estimate this might be, the substratum of truth was solid and auriferous enough to dazzle the imagination. When ordinary safes were being carried bodily away with impunity or ingeniously fused open by the scientifically equipped cracksman, nervous bond holders turned with relief to the attractions of an establishment whose modest claim was summed up in its telegraphic address: *Impregnable*. To it went also the jewel case between the lady's social engagements and when in due course the family journeyed north or south east or west, whenever in short the London house was closed, its capacious storerooms received the plate chest as an established custom.
