In ancient times only the wisest were trusted with medical knowledge for it bears power over life and death The remedies and methods of those seers may have been abandoned by modern civilization but they have been preserved and retain their power Throughout all of our most sacred traditions it is known that Nature is the source for all genuine medicine The teachings of Hippocrates Paracelsus Galen Tibetan tantras and others all agree that a properly prepared individual can use Nature to cure any illness Samael Aun Weor lived in close contact with the mysterious natives of the Sierra Nevada of South America who have been in self imposed isolation from the rest of the world for hundreds of years The priests and doctors of that region taught him and his wife Litelantes their system of training and many of their healing methods revealed here to the public for the first time Perhaps most astonishing is that the philosophy and spiritual concepts are fundamentally the

same as the ancient knowledge of the Greeks Tibetans Hindus and others This collection of hundreds of techniques and practices will guide you to awaken consciousness perform healing for yourself and others and return to the core medical knowledge of the ages Do not undervalue these remedies because of the modest way in which they are presented or because of their simplicity The author has tested in various cases all of the formulae and works of practical magic contained in this book Remember that this is not a game for children but a work for mature individuals I Samael Aun Weor give testimony of my work **Treatise of Occult Medicine and Practical Magic** ,2017-10-29 Author Samael Aun Weor [Occult Medicine and Practical Magic](#) Samael Aun Weor,2014-03-08 This Message was proofed by the author who later added many formulae of High Magic Theurgy Occult Botany Thaumaturgy Elementotherapy Esoteric Medicine Nahualism etc in reality we truly have written this book for those individuals who are presently weary of the many pseudo occultist and pseudo esoteric theories It is written for those who want to enter into the internal worlds immediately It is written for those who now yearn to enter into the laboratorium of Nature **Occult Medicine and Practical Magic** Samael Aun Weor,2014-01-30 This book which you have in your hands entitled Treatise on Occult Medicine and Practical Magic has been delivered as a 1977 1978 Christmas Message This Message was proofed by the author who later added many formulae of High Magic Theurgy Occult Botany Thaumaturgy Elementotherapy Esoteric Medicine Nahualism etc in reality we truly have written this book for those individuals who are presently weary of the many pseudo occultist and pseudo esoteric theories It is written for those who want to enter into the internal worlds immediately It is written for those who now yearn to enter into the laboratorium of Nature Certainly it is very painful for us to see people wasting their time miserably We want practical magicians true occultists and not simple charlatans Authentic Gnostic physicians are needed true magicians and botanists practical people in medicine and magical matters *Manual of Practical Magic* Samael Aun Weor,1988 *Occult Medicine & Practical Magic* Samael Aun Weor,2004-04 Samael Aun Weor founder of the International Gnostic Movement and author of sixty books lived for many years in close contact with the mysterious natives of the Sierra Nevada of South America He and his wife Litelantes compiled and verified the knowledge they had been given by the Priests and Doctors of that region and supplemented it with their own Initiatic wisdom resulting in this book Occult Medicine and Practical Magic Herein one finds many explanations of the medical knowledge preserved by the Lamas of Tibet and the Mamas of the Sierra Nevada demonstrating with undeniable force the limitations of modern medicine and indicating the way to return to ancient medical wisdom This work features treatments for an incredible variety of illnesses and conditions such as cancer asthma the common cold and leprosy Includes Introduction to Occult Medicine Preparation and Discipline of the Gnostic Doctor Classification of Plants Elemental Magic Occult Medication and Magical Works A quote from the author While medical science is inventing certified medications which are changing as incessantly as women s fashion there exists a very ancient medical wisdom that has its origin based upon the first foundations of the world and that has never changed its formulae
