*Essential Torah* George Robinson, 2006-10-31 Whether you are studying the Bible for the first time or you are simply curious about its history and contents you will find everything you need in this accessible well written handbook to Jewish belief as set forth in the Torah The Jerusalem Post George Robinson author of the acclaimed *Essential Judaism* begins by recounting the various theories of the origins of the Torah and goes on to explain its importance as the core element in Jewish belief and practice He discusses the basics of Jewish theology and Jewish history as they are derived from the Torah and he outlines how the Dead Sea Scrolls and other archaeological discoveries have enhanced our understanding of the Bible He introduces us to the vast literature of biblical commentary chronicles the evolution of the Torah's place in the synagogue service offers an illuminating discussion of women and the Bible and provides a study guide as a companion for individual or group Bible study In the book's centerpiece Robinson summarizes all fifty four portions that make up the Torah and gives us a brilliant distillation of two thousand years of biblical commentaries from the rabbis of the Mishnah and the Talmud to medieval commentators such as Rashi Maimonides and Ibn Ezra to contemporary scholars such as Nahum Sarna Nechama Leibowitz Robert Alter and Everett Fox This extraordinary volume which includes a listing of the Torah reading cycles a Bible time line glossaries of terms and biblical commentators and a bibliography will stand as the essential sourcebook on the Torah for years to come

*Shekinah Unveiled* John Whitman, 2018-07-05 Many Christians believe and have been taught that the bride of Christ is the church and this presupposition is widely held by scholars ministers and laity alike as though it were a biblical precept Yet this view actually owes its origins to pagan heresy and mysticism that infiltrated the church over the centuries In fact the scriptures tell us who Jesus will marry and it is neither the Christian church nor Israel *Shekinah Unveiled* examines and irrevocably dismantles the ages old traditions that maintain that the church is the bride of Christ and that Israel was Yahweh's wife Author and theologian John Whitman proves from scripture who the true bride of Christ and the wives of Yahweh are and he explains why it matters to know the identity of the bride of Christ Knowledge of the true identity of the bride of Christ affects multiple core doctrines of faith: the imago Dei marriage sexuality and the family sin Christology ecclesiology eschatology judgment bridal theology and theology proper And because the latter is itself the bedrock upon which not only systematic theology but each of these other attendant doctrines are founded the very heart of Christianity is affected by knowing the identity of Christ's bride

*He Wants You to Know* Beverly Lipford Carroll, 2013-07-03 How can we understand what we do not know How can we comprehend what is outside our experience God is holy we are sinful God is all powerful and all knowing and perfect love and we are not He knows us completely and it is the desire of his heart for his children to know him The best teachers will patiently lead students one step at a time using what students do know to

increase their understanding of what they need to learn God is the master teacher God reveals himself to his children in the Bible and in everyday experiences using what they do understand to help them learn the truth about who he is He takes what is familiar to them and says At least in some ways I AM like that It is not enough to have knowledge of what God said we must have understanding of what he wants us to learn Examine thirteen metaphors God uses to describe himself and find deeper understanding of this God who wants you to know him      **The Triple Package** Jed Rubenfeld,Amy Chua,2014-02-05 Why do Jews win so many Nobel Prizes and Pulitzer Prizes Why are Mormons running the business and finance sectors Why do the children of even impoverished and poorly educated Chinese immigrants excel so remarkably at school It may be taboo to say it but some cultural groups starkly outperform others The bestselling husband and wife team Amy Chua author of Battle Hymn of the Tiger Mother and Jed Rubenfeld author of The Interpretation of Murder reveal the three essential components of success its hidden spurs inner dynamics and its potentially damaging costs showing how ultimately when properly understood and harnessed the Triple Package can put anyone on their chosen path to success      The SAGE Encyclopedia of Alcohol Scott C. Martin,2014-12-16 Alcohol consumption goes to the very roots of nearly all human societies Different countries and regions have become associated with different sorts of alcohol for instance the beer culture of Germany the wine culture of France Japan and saki Russia and vodka the Caribbean and rum or the moonshine culture of Appalachia Wine is used in religious rituals and toasts are used to seal business deals or to celebrate marriages and state dinners However our relation with alcohol is one of love hate We also regulate it and tax it we pass laws about when and where it s appropriate we crack down severely on drunk driving and the United States and other countries tried the failed Noble Experiment of Prohibition While there are many encyclopedias on alcohol nearly all approach it as a substance of abuse taking a clinical medical perspective alcohol alcoholism and treatment The SAGE Encyclopedia of Alcohol examines the history of alcohol worldwide and goes beyond the historical lens to examine alcohol as a cultural and social phenomenon as well both for good and for ill from the earliest days of humankind      **Essential Torah** George Robinson,2006-10-31 For those studying the Bible for the first time or simply curious about its history and contents this is a complete guide to the five books of Moses      **Encyclopedia of Forensic and Legal Medicine** ,2015-09-29 Encyclopedia of Forensic and Legal Medicine Volumes 1 4 Second Edition is a pioneering four volume encyclopedia compiled by an international team of forensic specialists who explore the relationship between law medicine and science in the study of forensics This important work includes over three hundred state of the art chapters with articles covering crime solving techniques such as autopsies ballistics fingerprinting hair and fiber analysis and the sophisticated procedures associated with terrorism investigations forensic chemistry DNA and immunoassays Available online and in four printed volumes the encyclopedia is an essential reference for any practitioner in a forensic medical healthcare legal judicial or investigative field looking for easily accessible and authoritative overviews on a wide range of topics Chapters have been arranged in alphabetical order and are written in a
