Essential Works Of John Stuart Mill:

The Basic Writings of John Stuart Mill John Stuart Mill, 2002-05-14 The writings of John Stuart Mill have become the cornerstone of political liberalism. Collected for the first time in this volume are Mill's three seminal and most widely read works: *On Liberty*, *The Subjection of Women*, and *Utilitarianism*. A brilliant defense of individual rights versus the power of the state, *On Liberty* is essential reading for anyone interested in political thought and theory. As Bertrand Russell reflected, *On Liberty* remains a classic: the present world would be better than it is if Mill's principles were more respected. This Modern Library Paperback Classics edition includes newly commissioned endnotes and commentary by Dale E. Miller and an index.

On Liberty - Ed. Kahn John Stuart Mill, 2014-10-06 In this work, Mill reflects on the struggle between liberty and authority and defends the view that the only purpose for which power can be rightfully exercised over any member of a civilized community against his will is to prevent harm to others. He questions attempts to limit freedom of conscience and religion, freedom to pursue one's own interests, and freedom to unite, and he defends a liberal political and social order in which there is considerable room for personal development and freedom of association. This new Broadview Edition demonstrates the ways in which Mill's intellectual landscape differed markedly from our own while also drawing attention to the reasons why the work remains relevant and essential reading in the present day. Appendices include antecedents to Mill's work, critical discussions by his contemporaries, and related writings by Mill. Please note: Broadview offers two separate editions of *On Liberty*. The Kahn edition is particularly relevant to readers who are interested in how the work is situated in the history of political philosophy, whereas the Alexander edition is recommended to those most interested in the work's Victorian literary and social contexts. The Collected Works of John Stuart Mill John Stuart Mill, 2022-11-13 The *Collected Works of John Stuart Mill* is a comprehensive anthology that showcases the profound contributions of one of the 19th century's most influential philosophers. Spanning essays, letters, and major theoretical works, this collection delves into Mill's rigorous examination of social, political, and economic philosophy. The literary style of Mill is marked by clarity of thought and precision, often blending empirical observation with moral reasoning. His advocacy for utilitarianism and individual liberty intersects with the intellectual currents of his time, particularly the debates surrounding democracy, gender equality, and freedom of expression, providing a rich context for contemporary discussions. John Stuart Mill, born into a family of prominent intellectuals, was profoundly influenced by the utilitarian principles of his father, James Mill, and his mentor, Jeremy Bentham. His early exposure to rigorous philosophical inquiry, alongside personal experiences of oppression and advocacy for social reforms, shaped Mill's commitment to liberalism and human rights. This collection encapsulates his philosophical evolution and reflects his deep engagement with the pressing issues of his era, illuminating his quest for a balanced society that respects both individual autonomy and societal welfare. For scholars and general readers alike, the *Collected Works of John Stuart Mill* is an indispensable resource that offers insights

into foundational concepts of liberal thought This compilation not only enriches our understanding of Mill s ideas but also prompts critical reflection on their relevance in today s socio political landscape Readers seeking to explore the intricate dynamics of freedom morality and justice will find Mill s works as illuminating as they are challenging **Essential Works of John Stuart Mill** John Stuart Mill,1965 **Essential Works of John Stuart Mill** John Stuartc Mill,1961
