in order to save them Barbie doesn't think twice about taking on the challenge and sets out with Stardust to find each color crystal. We hit some problems that test her guts, smarts, and determination. The Rainbow Realm comes back to life as the rainbow colors come back with each gem she gets. Barbie's mission finally brings back the rainbow's bright colors which keeps the Rainbow Realm from becoming less visible. Stardust shows how powerful love and kindness can be while also honoring her strength and determination. Barbie stays true to her identity and goes back to her planet but her heart will always be in the Rainbow Realm. She talks to the rainbow one last time and then goes back to her home world to tell everyone about her amazing experience and the lessons she's learned. Her story is told from one family to the next to remind people that magic exists and that if they are kind, brave, and determined, their dreams can come true. Because she used what she learned in the Rainbow Realm to make the lives of those around her better, Barbie has continued to inspire people. You can find hope in her story and it will tell you that the most beautiful magic comes from the heart. Barbie and the Magic of the Rainbow is a classic story that tells people that their hearts hold the deepest and most lasting magic and inspires them to follow the values of kindness, bravery, and persistence. This is how the story starts. A long time ago, there was a smart little girl named Barbie who lived in a cute little town surrounded by big forests and rolling hills. There was something very different about Barbie as a child. She had a kind heart, was always interested in new things, and had a mind as bright as a rainbow. Nestled in the peaceful beauty of nature's wealth, Barbie's simple home was a safe haven of love and warmth. Everyone who met her felt loved because her heart was like a well of goodness. Being excited, always interested, and always looking for new things to learn drove her to try new things. Her mind was as varied as an artist's palette, and everything she touched turned into a new work of art. Barbie looked forward to every morning because she got to explore the world outside of her quiet town and discover the secrets that were hidden below the surface of the earth. As she danced over the rolling emerald-covered ground, the sound of her laughter could be heard through the thick greenery of the green hills, adding to the peaceful atmosphere. Barbie's soul expanded like a beautiful tapestry with each step. Because she was so interested in everything, the world around her became a blank canvas ready to be painted, and every experience was a vivid brushstroke of her imagination. She was excited about every day like the sun rising, ready to explore the new worlds of information that were calling her. Barbie was so beautiful that people were drawn to her like bees to nectar. The kindness and love in her heart became a light for people who needed support and understanding. Her heart was as open as her ears, and she helped those in need by giving them comfort and advice. Nature also seemed to enjoy being with Barbie. Birds sat on her outstretched hand and sang to her as if they were drawn to the melody inside her. Flowers grew with an unmatched brightness, and the petals showed how strong her beliefs were. Even the most scared animals came up to her and trusted that she would show them the way through the forest. Even though Barbie was beautiful every day, she had a deep pain in her heart. Her grandma told her stories about how rainbows would appear in the sky after it rained a lot. These rainbows were more than just bright lines; they were magical.

doors that led to other worlds of magic and people dreams and adventure She woke up one beautiful morning to the sound of birds singing after a light rainy night As she told her grandmother s stories she felt a rush of amazing joy through her body She felt compelled to explore the mysterious woods around her home by a constant whisper in her ear She went deeper into the forest and the air filled with the sweet smell of wildflowers The green canopy above her got thicker as well She jumped when she heard weak music that sounded like a bell chime far away The music caught her attention and as it slowly got stronger took her on a dreamlike journey She kept going deeper and deeper into the bush as the music led her As if a long kept secret were about to be revealed everything around her seemed to be building up for it As they walked the sparkling sounds got more beautiful and clearer      **Forthcoming Books** Rose Arny,2003-04      **This Is It** Rosauero Espejo,2009-10
