Chapters begin with an informational preview about select biblical texts. Next, reading questions help readers focus on a few ideas while reading the Scriptures. Then each chapter presents and explains three major topics covered in the selections. Chapters conclude with a set of reflection questions helpful for group discussion or further personal engagement. *God Speaks His Love* is in part a response to modern claims that God stays separate from the world or remains silent in our lives. In the previews and topical sections of each chapter, readers are introduced to biblical historical and theological information which challenge such ideas. This book explores the ways the Bible presents God's loving and healing actions as bringing human life to fulfillment. **Genesis to Revelation: Hebrews, James, 1-2 Peter, 1,2,3 John, Jude Participant Book** Keith

Schoville, 2018-09-18. Some of the major ideas explored are: developing a personal relationship with Christ, running the race of life, your Christian experience, your influence in the life of your church, Jesus as a historical person, the second coming of Christ, and Christian hospitality. More than 3.5 million copies of the series have been sold. This revision of the Abingdon classic *Genesis to Revelation Series* is a comprehensive verse-by-verse book-by-book study of the Bible based on the NIV. These studies help readers strengthen their understanding and appreciation of the Bible by enabling them to engage the Scripture on three levels: What does the Bible say? Questions to consider while reading the passage for each session. What does the passage mean? Unpacks key verses in the selected passage. How does the Scripture relate to my life? Provides three major ideas that have meaning for our lives today. The meaning of the selected passages are made clear by considering such aspects as ancient customs, locations of places, and the meanings of words. The simple format makes the study easy to use. Updates will include: New cover designs, New interior designs, Leader Guide per matching Participant Book rather than multiple volumes in one book. Updated to 2011 revision of the New International Version Translation, NIV. Updated references to New Interpreter's Dictionary of the Bible. Include biblical chapters on the contents page beside session/lesson titles for at a glance overview of biblical structure. The simple format makes the study easy to use.
