Famine Affluence Morality Peter Singer:

Famine, Affluence, and Morality Peter Singer, 2016 As Bill and Melinda Gates point out in their Foreword Singer's classic essay Famine Affluence and Morality is as relevant today as it ever was It is published here together with two of Singer's more popular writings on our obligations to those in poverty and a new introduction by Singer that brings the reader up to date with his current thinking **Famine, Affluence, and Morality / Hunger, Wohlstand und Moral.**

Englisch/Deutsch Peter Albert David Singer, 2023-11-17 Angenommen ich stehe an einem Teich und muss mitansehen wie ein Kind ertrinkt würde mir bei der Rettungsaktion aber meinen teuren neuen Anzug ruinieren Müsste ich das Kind nicht trotzdem retten Wenn nun das durchaus zumutbar wäre Warum teile ich dann nicht meinen Besitz mit jemandem dem ich dadurch das Leben retten könnte ohne dass mich das unzumutbar viel kosten würde Das Kind im Teich ist nicht nur eines der berühmtesten philosophischen Gedankenexperimente sondern drückt auch die Kernidee des effektiven Altruismus aus einer sozialen Bewegung die Singer maßgeblich geprägt hat Der Band bietet eine Neuübersetzung sowie einen genauen Kommentar und zeichnet die Wirkungsgeschichte dieses so maßgeblichen Textes nach Die Reihe Great Papers Philosophie bietet bahnbrechende Aufsätze der Philosophie Eine zeichengenaue zitierte Wiedergabe des Textes links das fremdsprachige Original rechts eine neue Übersetzung Eine philosophiegeschichtliche Einordnung Wie dachte man früher über das Problem Welche Veränderung bewirkte der Aufsatz Wie denkt man heute darüber Eine Analyse des Textes bzw eine Rekonstruktion seiner Argumentationsstruktur gefolgt von einem Abschnitt über den Autor sowie ein kommentiertes Literaturverzeichnis

Comment on "Famine, Affluence, and Morality" by Peter Singer. A brief evaluation Tim Windbrake, 2021-09-17 Essay from the year 2020 in the subject Philosophy Theoretical Realisation Science Logic Language grade First Class Honours London School of Economics language English abstract This essay claims that Singer's argument We ought to be preventing as much suffering as we can without sacrificing something else of comparable moral importance is valid but unsound It acknowledges his overall purpose to alleviate absolute poverty and his more recent attempts of rewriting the concept to make his conclusion less demanding and thereby more appealing to a broader audience Nevertheless this essay will solely focus on the strong version of his initial argument **Current Debates in Global Justice** Gillian Brock, Darrel

Moellendorf, 2006-03-30 Issues of global justice dominate our contemporary world Increasingly philosophers are turning their attention to thinking about particular issues of global justice and the accounts that would best facilitate theorizing about these This volume of papers on global justice derives from a mini conference held in conjunction with the Pacific Division meeting of the American Philosophical Association in Pasadena California in 2004 The idea of holding a mini conference on global justice was inspired by the growth of interest in such questions and it was hoped that organizing the mini conference would stimulate further good writing in this area We believe that our mission has been accomplished We received a number of thoughtful papers on both theoretical and more applied issues showing excellent coverage of a range of topics in the

domain of global justice A selection of some of the very best papers is published in this special issue of The Journal of Ethics In particular we tried to include papers that would reflect some of the range of topics that were covered at the conference to give readers a sense of both the scope of the field as it is currently emerging and the direction that the debates seem to be taking As a result of increased attention to theorizing about global justice cosmopolitanism has enjoyed a resurgence of interest as well

The Individual and the Political Order Norman E. Bowie, Robert L. Simon, 2008 This fourth edition of The Individual and the Political Order provides a careful accessible and reasoned liberal justification for the democratic state and political authority The central feature of liberalism is the commitment to individual autonomy The authors show how that commitment provides a defense of democracy and they give a liberal interpretation to such core values as liberty equality and political authority Although the authors support liberal theory they also provide a sympathetic treatment of the critics of liberalism The authors give a sound explanation of such positions as feminist political theory communitarianism and post modernism but they also argue persuasively that these theories fall short as adequate theories of the political order A significant feature of the new edition is the treatment of international issues and globalization particularly the war on terrorism and poverty in the third world This edition retains its balanced treatment of such major theorists as Hobbes Locke Rousseau Rawls and in this edition Marx This edition continues the tradition of readability balance and careful

argumentation that characterized the earlier editions The Individual and the Political Order is accessible to a wide audience and to nearly all individuals who are interested in how citizens in a state should be governed **World Hunger and Moral Obligation** William Aiken, Hugh LaFollette, 1977 Lifeboat ethics the case against helping the poor Garrett Hardin Famine affluence and morality Peter Singer Rights and the duty to bring aid John Arthur Morality and starvation Jan Narveson Moral philosophy and world hunger William K Frankena The right to be saved from starvation William Aiken Give if it helps but not if it hurts Joseph Fletcher Reason and morality in a world of limited food Richard A Watson The morality of wealth Michael A Slote Lifeboat earth Onora O'Neill Productive justice Howard Richards Vegetarianism and The other weight problem James Rachels World Hunger and Morality William Aiken, Hugh LaFollette, 1996 World Hunger and Morality contains the best current thinking about the appropriate moral response to world hunger

KEY TOPICS The focus and content of this second edition is radically different from the first Most of the essays are new to this volume In fact most of the new essays were written especially for this volume It presents essays which helped shape the changing understanding of world hunger includes work by some of today's pre eminent ethicists discusses the problem of intra national as well as international hunger and considers how gender differences play a part in understanding and solving world hunger **On the Edge** Nate Silver, 2025-08-12 The Instant New York Times Bestseller With a New Preface from Nate Silver for 2025 New York Times Book Review Paperback Row selection Engaging and entertaining a glimpse of the economy of the future Tim Wu New York Times Book Review From the New York Times bestselling author of The Signal and the Noise the definitive guide to our era
