The Fisherman and the Golden Fish.

Once upon a time, there was a poor fisherman who lived in a small shack. One day, he went out to the sea to catch fish on his boat. When he pulled up his net, he was surprised to find a shiny golden fish trapped in his net. "Please let me go kind man!" cried the golden fish. The fisherman was shocked to see a talking fish. He pitied the fish and put it back to the sea. The golden fish was very grateful. He said to the fisherman, "I shall repay your kindness." When the fisherman returned to his home, he was amazed to see his small shack changed into a big house.
