Clinical Skills Documentation Guide for Athletic Training Herb Amato,Herb Amato, Da, Atc,John M. Hauth,Brian M. Gloyeske,2016 Herb K Amato s name appears first in the previous edition *Administrative Topics in Athletic Training* Gary

L. Harrelson, Greg Gardner, Andrew P. Winterstein, 2009 *Administrative Topics in Athletic Training Concepts to Practice* is a dynamic text that addresses important administrative issues and procedures as well as fundamental concepts, strategies, and techniques related to the management of all aspects of an athletic training health care delivery system. Unlike traditional organization and administration textbooks, this text delivers a multitude of content focused on classical management theory. Drs. Gary Harrelson, Greg Gardner, and Andrew Winterstein have presented a balance of theory and application in *Administrative Topics in Athletic Training Concepts to Practice*, including case studies and scenarios in each chapter to help students realize immediate application of the content. Content areas covered include Leadership and management theory and concepts, Risk management and legal issues, Finance, Human Resources, Ethical issues, Athletic Training Administration, Medical records and documentation, Insurance and reimbursement, Organizational skills, Improving organizational performance, Employment issues, Case studies. Unique benefits and features include Extensive discussion of management theory, Chapters on ethics and risk management, Strong focus on professional development issues, Presentation of unique reimbursement models, Discussion of issues in the educational setting. With its valuable information, insightful theoretical concepts, helpful models, and practical case studies, *Administrative Topics in Athletic Training Concepts to Practice* is a valuable text for any undergraduate entry level or graduate education program in athletic training. Management Strategies in Athletic Training Jeff G. Konin, Richard Ray, 2018-03-21 Athletic trainers require more administrative knowledge than ever before, and *Management Strategies in Athletic Training Fifth Edition* is designed to help them master that knowledge. The latest edition of this respected text prepares athletic trainers to be successful in any setting and with any clientele. It does so by presenting new material that covers trends and issues that today's athletic trainers are facing. New to this Edition: *Management Strategies in Athletic Training Fifth Edition* offers a great deal of new content. A new chapter on the profession addresses its history, differentiation between various NATA committees, the evolution of athletic training, and more. A new chapter on professional advocacy explains how bills become law, the need for advocacy in the profession, the value of youth sport safety legislation, and more. New content on documentation, injury surveillance, NATA position statements, reimbursement, and salary issues, and new athletic training CPT codes. A new appendix lists each state's scope of practice board and structure and regulations for athletic training. *Management Strategies in Athletic Training Fifth Edition* also includes thoroughly updated content in many areas: Preparticipation physical exam standards and drug education and testing standards, Emergency planning, Health care financial management, Legal testimony and depositions, Ethical practices in sports medicine, Legal standards, Employment settings, Negotiation skills, OSHA requirements for health care facilities. Ancillaries: *Management Strategies in Athletic Training Fifth Edition* comes with these ancillaries: An instructor guide that is loaded with useful instructional aids, including student activity suggestions, extra case studies, suggested readings, and a sample syllabus. Chapter quizzes with 183 questions you can use to generate tests and quizzes. An image bank that includes the majority of

the figures and tables from the text which you can use in creating your presentations Text Features At the end of each chapter you will find two helpful tools case studies with questions for analysis which will help students apply concepts and theories to real world situations and a key concepts review section that repeats the chapter objectives and shows how the chapter addressed those objectives The text also provides these pedagogical aids to enhance the student learning experience Key words Pearls of Management sidebars that provide insights that readers will find useful during their careers as athletic trainers Glossary Chapter objectives Sample forms Key Points nuggets of practical information Strong Content for Many Audiences Management Strategies in Athletic Training Fifth Edition is a comprehensive resource for all athletic trainers meeting the bulk of the discipline specific content for an entry level athletic training curriculum The text is suitable for entry level students preparing for credentialing and certification graduate students preparing for credentialing or working toward an advanced degree athletic training residents seeking to reinforce and apply leadership techniques in their residency and practicing athletic trainers who want to update their knowledge and skills in athletic training administration Equipped to Meet Today s and Tomorrow s Challenges Management Strategies in Athletic Training Fifth Edition is the ideal text to prepare athletic trainers of the future to deal effectively with the many administrative and managerial challenges they will face in an increasingly complex and changing health care environment Practitioners will find the book s contemporary approach to addressing today s management culture very refreshing

Clinical Skills Documentation Guide for Athletic Training, Third Edition , *Athletic Training Management* James Michael Rankin, Christopher D. Ingersoll, 2001 This comprehensive text addresses management concerns in the field of athletic training and sports medicine It discusses topics ranging from managing change and conflict adjustment to tips for selecting a computer that fits your training needs The text covers traditional management topics then takes the content a step further by relating it specifically to the athletic trainer The second edition has been expanded to include coverage of sports medicine clinics industrial athletic training the process of seeking employment third party reimbursement financial management risk management and information technology including distance learning and the web

Management Strategies in Athletic Training Richard Ray, 2000 Updated guide to handling management challenges successfully
