A nighttime photograph of a mosque courtyard. In the foreground, a large, ornate, illuminated fountain with a tiered base and a central spout is the focal point. To the left, a tall, slender minaret is brightly lit against the dark sky. The courtyard is paved with light-colored stones, and a few trees are visible in the background. The overall scene is bathed in warm, golden light from the fountain and cooler blue light from the minaret.

Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents.
