Forgiven But Not Forgotten Forgiven But Not Forgotten:

Forgiven But Not Forgotten! Andrea Thompson, 2009-09 Forgiven but not forgotten Mabel s Journey Beloved do not avenge yourselves but rather give place to wrath for it is written Vengeance is Mine I will repay says the Lord Romans 12 19 Is it possible to forgive and forget when others intentionally hurt us The author posits that it s possible to forgive and forget if God is at the center of the rebuilding process and the following steps are practiced Praying for the ability to recognize perpetrators motives Acknowledging that perpetrators have issues with jealousy envy sense of entitlement or whatever in your God given wisdom you determined their problem to be Asking God to renew a right spirit within perpetrators as well as ensuring that you do not possess similar characteristic Dialoguing with offenders to increase awareness of the painfulness of their actions In praying through God you are able to forgive realizing that the battle is not yours but the Lord s Accepting apologies and praying with perpetrators immediately thereafter to remove the yoke of unforgiveness Mabel is a young girl whose parents reckless decisions dealt her a cruel blow in life She embarked on a journey trying desperately to escape a dysfunctional and abusive home but the journey took her through ill treatment and neglect It was only through others that she learned to bask in droplets of mercies and at times showers of blessings Mabel practiced the art of forgiving so as to lessen the crippling weight and burden of unforgiveness but just as she thought she would triumph and master the art of forgiving and forgetting disaster struck Forgiven but Not Forgotten Ambrose Mong, 2020-12-09 This work explores issues of forgiveness and reconciliation in countries that had experienced political conflicts civil war and even genocide It attempts to move beyond mere discussion by examining case studies and the initiatives taken in dialogue and reconciliation In many cases religion can be a force for peace and play a significant role in resolving conflicts This work also examines the relationship between justice and forgiveness emphasizing that there will be no peace without justice and no justice without forgiveness Human justice is fragile Thus respect for rights and responsibilities must include forgiveness in order to heal and restore relationships

FORGIVEN BUT NOT FORGOTTEN? Abby Green, Sae Nanahoshi, 2017-08-22 A story by USA Today bestselling author becomes a comic For years Andreas Xenakis had a single minded determination to find Siena DePiero and exact his revenge on her for ruining his life Siena once a rich socialite now works as a waitress to make ends meet after her father s company went into bankruptcy The two meet once again and the attraction they felt all those years ago comes rushing back Andreas is determined not to let his desire for Siena get in the way of his revenge and Siena is overcome with the guilt of what she did to him So when Andreas makes Siena an offer that is too tempting to turn down what will they do Will Andreas s anger overcome his desire for Siena Will Siena summon the courage to tell him the truth
