Forming Intentional Disciples Sherry Weddell, 2012-07-05 How can we transmit a living personal Catholic faith to future generations By coming to know Jesus Christ and following him as his disciples These are times of immense challenge and immense opportunity for the Catholic Church Consider these statistics for the United States Only 30 percent of Americans who were raised Catholic are still practicing Fully 10 percent of all adults in America are ex Catholics The number of marriages celebrated in the Church decreased dramatically by nearly 60 percent between 1972 and 2010 Only 60 percent of Catholics believe in a personal God If the Church is to reverse these trends the evangelizers must first be evangelized in other words Catholics in the pew must make a conscious choice to know and follow Jesus before they can draw others to him This work of discipleship lies at the heart of **Forming Intentional Disciples** a book designed to help Church leaders parish staff and all Catholics transform parish life from within Drawing upon her fifteen years of experience with the Catherine of Siena Institute Sherry Weddell leads readers through steps that will help Catholics enter more deeply into a relationship with God and the river of apostolic creativity charisms and vocation that flow from that relationship for the sake of the Church and the world Learn about the five thresholds of postmodern conversion how to open a conversation about faith and belief how to ask thought provoking questions and establish an atmosphere of trust when to tell the Great Story of Jesus how to help someone respond to God's call to intentional discipleship and much more And be prepared for conversion because when life at the parish level changes the life of the whole Church will change **Sherry Weddell's Forming Intentional Disciples**

Study Guide Ximena DeBroeck, 2014-03-28 What is keeping so many of us and so many of our parishes from becoming powerhouses of faith and evangelization is that we don't have a living relationship with Christ that transforms us into intentional disciples **Forming Intentional Disciples The Path to Knowing and Following Jesus Our Sunday Visitor 2012** has become one of the most talked about books of the decade in Catholic parishes across the country Written by Sherry Weddell co founder and co director of the Catherine of Siena Institute **Forming Intentional Disciples** takes a clear-eyed look at the state of the Church today Based on more than a decade of research with Catholics from across the country the issues and opportunities in this book connect seamlessly with Pope Francis call for evangelization as we open wide the doors of faith Now the book that is changing hearts has a study guide that will help you change your parish or small faith community Created by people who have experienced the transformative impact of discipleship firsthand the **Forming Intentional Disciples Study Guide** provides tools and resources to break the silence initiate conversations share the story of faith and begin walking the path of discipleship together **Forming Intentional Disciples** Sherry A. Weddell Foreword by Bishop Philip A. Egan, 2022-08-12 How can we transmit a living personal Catholic faith to future generations By coming to know Jesus Christ and following him as his disciples As we emerge from a pandemic into a post Christian world these are times of immense challenge and enormous opportunity for the Catholic Church in the United States Consider these statistics Fully 10

percent of all adults in America are ex Catholics Nearly three quarters of young Catholics think that they could be a good Catholic without going to Mass every Sunday Catholic marriages have declined by almost two thirds since 1969 even as the number of Catholics in the United States has grown significantly Only one third of Catholics believe that the bread and wine actually become the Body and Blood of Jesus Christ at the consecration during Mass If the Church is to reverse these trends the evangelizers must first be evangelized In other words Catholics in the pew must make a conscious choice to know and follow Jesus before they can draw others to him Ten years after it was first published *Forming Intentional Disciples* is still helping scores of Church leaders parish staff and all Catholics transform parish life from within World renowned author and speaker Sherry Weddell leads you through the steps that will help Catholics enter more deeply into a relationship with God and the river of apostolic creativity charisms and vocation that flow from that relationship for the sake of the Church and the world

Becoming a Parish of Intentional Disciples Sherry A. Weddell, Editor, 2015-01-15 It is not the same thing to have known Jesus as not to have known him not the same thing to walk with him as to walk blindly not the same thing to hear his word as not to know it We know that with Jesus life becomes richer Pope Francis *The Joy of the Gospel* In her first book *Forming Intentional Disciples The Path to Knowing and Following Jesus* Sherry Weddell cofounder of the Catherine of Siena Institute captured the attention of Catholics across the globe as she uncovered the life changing power that accompanies the conscious decision to follow Jesus as his disciple Now in the groundbreaking *Becoming a Parish of Intentional Disciples* she has gathered together experienced leaders and collaborators whose exceptional field tested wisdom and enthusiasm for transforming Catholic parishes into centers of discipleship and apostolic outreach is both inspiring and practical The authors consider The role of intercessory prayer in parish transformation How fireside chats can help a pastor connect with his parishioners and call them to personal discipleship and mission The co responsibility of lay people and pastors in the work of making disciples The revolutionary impact of a discipleship approach to youth ministry How one parish successfully fostered a culture of intentional discipleship and much more As Sherry asks in her own chapter Are we willing to answer the call and pay the price necessary to become a new generation of saints through which God can do extraordinary things in our time

A Message for Its Own Time Anne Bardell, Fr. Brian Murphy, 2023-05-19 This book is written for Catholics and fellow Christians seeking a vision of the Church which inspires great hope in these challenging times The Church is God s process of healing and developing humanity Father Brian Murphy highlights its history of change and development and suggests how the present trials are intense preparation for the future God has led us into the desert where all true renewal begins in order to be prepared for a wonderful new spring Each of us needs to become more deeply the type of worshiper the Father wants that is to worship in truth by rediscovering the treasures of the faith and to worship in spirit through contemplation the prayer of the heart John 4 24 Then the Church will

be more effectively empowered to continue its mission to baptise all people into the life of the Trinity and to renew the face of the earth In the last part of the book Anne Bardell stresses the need for Adult faith formation giving many practical examples She discovered that most Catholics seem content with their level of faith knowledge However once introduced to the deeper riches of the history and truths of the faith people were eager to know more as their thirst for faith formation grew She argues for the essential need for centres or hubs of faith formation in every parish It is essential that practising Catholics are encouraged to access these hubs as a normal part of parish life They should also be accessible to parents leading their children through the Sacraments of Initiation This requires the training of leaders equipped to support people as they travel ever deeper into their relationship with Jesus *The American Benedictine Review* ,2020 **Follow Christ**
