Teaching for Reconciliation Ron Habermas,2001-11-28 Teaching For Reconciliation is an introductory resource that connects foundational issues of theology and the social sciences with practical topics of how to teach It is organized according to a comprehensive theory created by the educational philosopher William K Frankena The overarching objective is first reconciliation with God then with ourselves others and creation itself *Leadership Secrets from the Proverbs* Robert A. Yost,2013-07-26 The book of Proverbs is a cornucopia of practical wisdom on a variety of topics The insights and truths covered in this book of ancient Hebrew Wisdom literature run the gamut including the nature of true wisdom and understanding vices and virtues relationships and roles priorities planning for the future how to communicate and how to manage one s resources In recent decades the book of Proverbs has increasingly become the focus of attention for Christians who wish to live lives more in tune with God s principles In particular Christian thinkers have begun to correlate biblical principles with the study of effective leadership Yost examines the subject of godly leadership by using the book of Proverbs as his springboard This is a scholarly yet deeply devotional study of the leader s priorities the leader s plans and the leader s speech Once you have read this book you will never look at the book of Proverbs or the subject of leadership the same way again On the Road Again Keith B. Brown,2001 On the Road Again is essential reading for any church that wants to move from maintenance to mission If your church dreams of a larger membership staff or facility the Rev Canon Keith B Brown s fresh groundbreaking insights drawn from his experience as an international businessman and diocesan executive will show you how to take the best of current business practices and translate them into nothing less than Spirit driven agents of the Great Commission Brown argues that the church never should shy away from numbers but as is amply demonstrated in the Acts of the Apostles should embrace the kinds of accounting implicit in the terms evangelism and stewardship Writing in a style that laity and clergy will find equally accessible Canon Brown introduces several future oriented business tools growth budgeting forecasting and breakeven analysis Easy to follow exercises complete with worksheets ensure that the reader masters each new step in the process Readers who feel chronically insecure when grappling with business matters will be constantly reassured by Canon Brown s determination passion and humor and also by the amusing illustrations of nationally syndicated cartoonist Stephen Bentley Empower John Senior,Matthew Floding,2020-11-15 As the second book in the Explorations in Theological Field Education series Empower is a toolkit for supervisor mentors working with beginning ministers Chapters from ministry practitioners and field education program directors offer lessons gained through hundreds of hours of mentoring experience Seasoned practitioners reveal how to do the work of mentoring in ways that fit particular needs of students with whom they have worked Guiding those who wish to deepen and expand their craft of mentoring Empower welcomes ministry mentors into a supportive community dedicated to making theological field education a

Gangel,1997-01-05 Team leadership is the exercise of one s spiritual gifts under the call of God to serve a certain group of people in achieving the goals God has given them toward the end of glorifying Christ How is your church or organization governed Does it have an authoritarian top down administration Is the ministry vision developed by a few top officials with little input from staff or volunteers Today the definition of an effective leader has changed No longer does the model leader manage like the Lone Ranger either do it his way or no way Today the model leader shares responsibility with fellow team leaders and seeks to serve them In this complete revision of his earlier work *Building Leaders for Church Education* Dr Gangel carefully lays a biblical foundation for the team leadership model This leadership is not dogmatic control or personality worship It has no room for political power plays Instead it is Paul gently nurturing young Christians in his epistles It is Barnabas willingly thrusting others into situations where they develop their own gifts It is Christ choosing not one but twelve men to carry on His ministry It is servant leadership With examples

illustrations and suggestions for further reading at the end of each chapter Dr Gangel prods and encourages the reader to move beyond the safety net of autocratic leadership into the rewarding effective practice of leading with and through others
