Feminism A Beginner S Guide:

Feminism Sally J. Scholz, 2012-12-01 Feminism is arguably the most significant social movement of the last century and it is far from over But what appears as a single unified movement on behalf of women s liberation is really a fascinating coalition of social and political causes goals and ideals By highlighting the themes that form the enduring nexuses between the three waves taking powerful examples from feminist campaigns and tackling timely issues such as genocide and war rape Scholz invites us to join in with the lively debates and always germane challenges of feminism **Women's History for**

Beginners Bonnie J. Morris, 2012 History books have often omitted or glossed over the role of women in the past What exactly is women s history A feminist viewpoint The history of sex or gender A story of queens For Beginners will demystify these questions to provide a straightforward and accessible guide to women s history in a lively and engaging comic book style This series is for those who want to know more about a subject without being bogged down in dry facts **A**
