A 30 minute Summary of the John Green Novel. Inside this Instaread Summary: Overview of the entire book, Introduction to the important people in the book, Summary and analysis of all the chapters in the book, Key Takeaways of the book, A Reader's Perspective, Preview of this summary. Chapter 1: Hazel Grace Lancaster has thyroid cancer that has metastasized into her lungs. The tumors are no longer growing because of an experimental drug, but she will never fully recover. Hazel is watching television when her mother makes her get up and go to her cancer support group. Hazel dislikes the group, but her mother makes her attend because she thinks she needs to socialize more. She arrives just before the group begins. Isaac, her friend, talks about the surgery he will have in a few weeks. He had cancer in one eye and that eye was removed. However, the cancer is now in his other eye and he will have to have that eye removed as well. As added support, Isaac brought his friend Augustus Waters to the support group. Augustus, a very good looking young man, is also a cancer survivor. He had osteosarcoma that required the removal of his leg. After support group, Hazel and Augustus wait outside for her mother. Isaac is with his girlfriend Monica making out on the far side of the church. Augustus asks Hazel to come to his house to watch *V for Vendetta* with him. He thinks she looks like Natalie Portman as she was in that movie. However, Hazel refuses when Augustus pops a cigarette into his mouth until he tells her that it is just a metaphor. She finds it so amusing, the irony of putting something that causes cancer into this mouth but not giving it the power to cause cancer, that she agrees to go to his home. Chapter 2: Augustus is a terrible driver because he cannot feel the gas pedal under his fake leg. Hazel makes him admit the only reason he has a driver's license is because the examiner felt sorry for him. She calls it a Cancer Perk. They

share their cancer stories At Augustus house Hazel meets his parents Then they go downstairs to his bedroom Augustus tells Hazel that he used to play basketball but before he was diagnosed he realized it was pointless the act of constantly throwing a ball into a basket Then he asks her what she likes to do She tells him about her favorite book *An Imperial Affliction* He agrees to read it if she will read his favorite book the *Price of Dawn* Augustus and Hazel go into the living room to watch the movie Hazel thinks the movie is a guy thing Augustus drives her home and asks her to call him later She promises to call when she finishes the book     [The Michigan Journal](#) ,2012     **The Fault in Our Stars** Robert Crayola,2014-04-14 Few novels have affected readers especially young people like John Green s *The Fault in Our Stars* With this new guide you will have an even greater understanding of the book Included in this guide a biography of author John Green a look at the book s context its literary elements detailed chapter summaries analysis and suggestions for essays This is the definitive guide to *The Fault in Our Stars* concise easy to understand and guaranteed to add to your enjoyment of this modern classic now a major motion picture     *MSN the Everyday Web* Scott Knaster,Barbara Knaster,2000 This easy to use guide shows new MSN users the things they can do right away From the simple to the exotic this guide demonstrates the rich possibilitiesonline Contains the MSNISP CD ROM to get users started     [Current Index to Journals in Education](#) ,1992     **The Book Review Digest** ,2003     [The Times Index](#) ,2013 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Time educational supplement Scotland and the Times higher education supplement     [The One-person Library](#) ,2002
