## **Faults Perception Embassy Book Two:**

*Faults of Perception* Steven Hoefler, 2015-12-04 Benjamin Taylor Earth's junior ambassador thinks he's having a good day when his meeting with an alien is merely awkward instead of destructive. His relief is short-lived when a mysterious assassin's bullet targets the alien, putting Earth on the brink of war with a race we've only just met. With an assassin on the loose and extraterrestrials looking for answers, Earth's Embassy is thrown into disarray. Heads of the organization are more interested in internal power struggles than external threats. Sides are being drawn up and some may not even want the assassin caught. As Benjamin and a small group of allies slowly unravel the assassin's plan, they discover a conspiracy that could destroy the Embassy and bring the aliens' wrath down upon the entire Earth. It's up to Benjamin to face a highly trained enemy and stop the plot before humanity pays the price. *Faults of Perception*, the second book of the Embassy series, has Benjamin Taylor walk a million miles in an extraterrestrial's mind. Will it foster relations with the aliens or simply drive him insane? The
