

STAKEHOLDER REPORTING MEETING FINAL REPORT

PRESENTATION MATERIALS

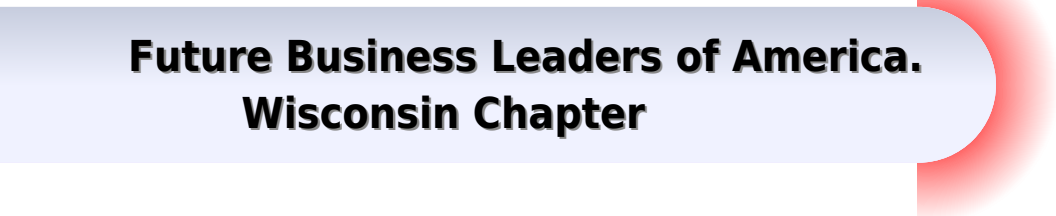

1. Technical documents include the report.
2. Presentation is a memorandum, but the memorandum describes what will be said and how it will be said, and then sets up a robust and engaging presentation with an agenda, including the memorandum attached as a reference document.
3. The presentation is interactive with the judges who will be involved throughout the presentation. The judge will play the role of the center of gravity in the presentation. The management team has been asked to deliver the presentation from the center of gravity, not at the end of the staff without involving the center of gravity. The center of gravity is the center of gravity.
4. Each team member will be given a role to play, and the center of gravity will be the center of gravity.
5. All team members must participate in the presentation as well as answer the questions asked by the judges. There are no exceptions.
