**Feathers Inheritance Lori Venturella:**

**Feathers of Inheritance** Lori Venturella, 2015-12-04 *Feathers of Inheritance* is the story of two generations. One is that of a girl who at a tender age fell from a tree and became paralyzed from the waist down. She becomes a quiet observer of the world around her until love finds her. It also tells the story of Paul Wallace. In three years he goes from being a confederate soldier to a prisoner on Rock Island Prison to a U S Volunteer in the wild Kansas Territory. By the time he is mustered out he is considered a traitor and is unable to return home. It is through these two generations that we learn inheritance is passed down not only through blood but through sacrifice and hope.
