bride of Christ and the Body of Christ These messages focus in sequence on the particular psalms that refer to the central line of God s economy concerning Christ and the church Christ is the center circumference hub rim substance and content of the Bible as a whole and in the book of Psalms in particular Christ is the centrality and universality of the Psalms Those who study the Psalms should have a spirit of seeking the Lord of wanting Him thirsting for Him pursuing Him desiring Him asking for Him and inquiring regarding Him Furthermore this Christ is found in God s dwelling place To know Christ in a full way we must know Him in the house of God which is the church as God s dwelling place and in the city of God which is the church as God s kingdom The church is the enlargement expansion reproduction surplus fullness and expression of Christ for His glory Eventually the church consummates in the New Jerusalem which also is Christ The enlargement of His house to become the city the kingdom in reality provides the Lord the ground to return and reclaim the earth from the usurping hand of Satan The progression of the revelation through the books of the Psalms is summed up in four words Christ house city and earth Our goal in studying the Psalms should be to experience Christ for the building up of the church as the house and the city so that the Lord will have a beachhead in order to come back and reclaim the earth According to God s view having a group of people who exalt Christ and become the church as the house and the city will provide Him a way to repossess the entire earth Therefore the deepest burden of this study of the Psalms is the fulfillment of the first and last verses of Psalm 8 O Jehovah our Lord How excellent is Your name In all the earth The Announcements section of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe
