Do Our Pets Heaven Biblically:

We Will See Our Pets In Heaven Brian Burgess,2013-08-22 Biblical Evidence That Animals Really Do Go To Heaven If you have pets or are grieving the loss of a pet then you must read this book We love our pets and they love us They become part of the family and it is painful when we have to say goodbye however you will be comforted to know that they are not gone forever as many people would believe Inside this book you will get a glimpse of what heaven will be like and you will see that God loves and cares for his animals and there is indeed a place for them in heaven In this book you will learn that animals are innocent and are not in need of salvation and that it was never our Heavenly Father desire that we or his animals would suffer death The pets that we had to say goodbye to are alive in heaven right now in their spiritual bodies and we will see them again if we accept Jesus as our Savior Your Pet Is Not Gone Forever I know how hard it is to lose a pet I ve had the pleasure of caring for many pets throughout my life and I am grief stricken every time one of them passes away Dealing with the loss of a pet is difficult especially when you ve been taught as a child and led to believe throughout the years by misinformed people such as parents family and friends that they are gone forever and that you ll never see them again After losing my Black Lab back in December 2009 and then my Golden Retriever in 2011 I decided to find out for myself what the Bible had to say about the subject What I found out was very comforting and I know you will be comforted too when you read this book *Where Do My Pets Go When They Die?* John Mark,2014-04-08 Most of us have lost a beloved pet and been left to ponder What s next In *Where do my Pets Go When They Die* author John Mark explores a very sensitive albeit controversial topic The loss of a cherished family friend challenges us to dig more deeply into the Scriptures for comfort but also in order to answer this extremely important question Although it is not undertaken often this subject is an area of focus and deep concern for many pet lovers of any age anywhere in the world at any moment in time In tackling this question the author s ultimate hope is to inspire readers to look for peace as well as answers in the Word of God **100 Bible**

Words That Matter Rose N. Dolinski, 2018-04-04 Teach me and I will hold my tongue and cause me to understand wherein I have erred How forcible are right words but what does your agruing reprove Job 6 2425 This book is about everyday words that we use without fully realizing the true biblical meaning to them I put this book together because the words we choose to say and write have great meaning and power The words that we use each and every day convey messages to others Words can hurt us lift us up and destroy us We can encourage one another with words or we can crush the hope and dreams of those we love with them As you read through this book you will find that each and every word in this book is in the Webster Dictionary but the meanings that I want to convey to my readers are the same words but with powerful biblical meanings They are words that will guide you with their profound and biblical meaning Doing research for this book took me to every channel of biblical knowledge in the internet many long hours and a closer relationship with Father Jesus It has forever become a beautiful life changing experience Although this book started with the death of my husband it became clearer to me that I wanted to get to know God more than ever in my life More reasons included cultural literacy learning firsthand what the Bible says personal edification and to help others like myself to gain a better understanding of Jesus and his mission because the Bible is Gods Word Now set your heart and your soul to seek the LORD your God arise therefore and build you the sancturary of the LORD God to bring the ark of the covenant of the LORD and the holy vessels of God into the house that is to be built to the name of the LORD 1 Chron 22 19 My ultimate goal is getting to know God better through his Word I believe that we should make it a habit to set aside a regular time and place to spend time with our Father in heaven I can assure you that this will also be a life changing experience for you Even though I make this a habit each and every day I will continue and pursue in depth my passion to grow spiritually until my death

Animals in Heaven Arch Stanton, 2004

Animals have been with us since the state of existence or being The bible tells us God created the animal kingdom for his pleasure When God created the heaven and earth and all life that exist he obviously saw a need for animals or they would not be here Why God created them in the shapes and forms as they were we do not know the choice was his and as I mentioned He chose to do so in a way that pleases him Animals have a mind that gives them the ability to think and have feelings Animals have a certain intelligence we do not possess such as an internal guidance system Both dogs and cats have this ability and I would imagine there are other animals as well God created everything with a purpose and a need the animals kingdom is one such example Many people believe God's purpose for animals is to serve humankind and upon death they are to perish with no possible chance for eternal life However does the bible teach this In the first chapter of the book of Genesis the bible tells us God considered the animals a creation that was very good he was pleased with them Many people consider the life of an animal as having a very small worth To them an animal just lives and dies Many people have the attitude of so what The bible tells us God doesn't care for an attitude such as this because he values the life of his animals very much Throughout the entire bible the information found pertaining to the animal kingdom is very precise The bible tells us the animals are to be forever God had this intention when he created them and this application of thought remains today and forever The bible never mentions mankind alone is to receive eternal life How different would our lives be without animals There would be no pets for those who are lonely and without family There would be no zoos for family outings There would be no circus acts with animals There would be no dog as a best friend There would be no Seeing Eye dogs There would be no animals to alert their owners of an ever present danger during the night such as fires burglars etc I believe we simply overlook the fact there is a purpose for all of God's creatures The purpose for this book is to reveal the truth in what the bible tells about the animal kingdom We need to know God's purpose for them The bible explains in detail God's plan for his animals even after death God wants us to know about them or he would never have emphasized their importance in his word Many people are reluctant to discuss the animal kingdom from a biblical point of view I find this strange to say the least God has included them in his written word but many ministers will say very little if anything about them The scriptures in this book are from the King James Bible What the bible tells us is 100% accurate and lest we never forget God simply made no mistakes in his word The bible is never contradictory We will read scriptures that clearly explain that animals will be in

heaven and why God wants them to be there with us If we had the power to give our pet s eternal life would we want the life of our animals to be temporal If God loves his animals more than we could ever love them shouldn t this type of love indicate his love for them is tremendous Since we know God can give animal s eternal life could be there any single reason to give them life that would be only temporary First we should know the bible is not dull dismal or neutral The bible is not an area between two extremes having mingled characteristics of both of them a situation in which there are no clear cut distinctions The interpretations of scriptures have been defined several ways over the years and this has cause confusion in many churches We will read scriptures about the animal kingdom that many of you may not know are in the bible We will read scriptures that are clearly stated to mean one thing and one thing only and that is Animals are to be in heaven By **The Animals of the Bible and Their Correspondences** John Worcester,1884 **Do Pets Go To Heaven?** Dennis Callen,2023-04-19 When Dennis and Margo Callen lost their dear cat Buffy they suffered the painful anguish of losing someone they loved When Reverend Callen was grieving for his loss he received comfort from the scriptures He realized others needed that same comfort all over the world This book is the result of the revelations he received God doesn t lose anything Death is an enemy Our pets are waiting for us in heaven Bible scriptures will prove this to be true *Diocesan Scripture Manuals for Religious Examinations of Pupil Teachers ... Old Testament. (New Testament. Common Prayer.)*.
