Doctor Faustus Literary Touchstone Classic:

Dr. Faustus: Literary Touchstone Classic Christopher Marlowe, 2007 The Tragical History of Doctor Faustus Christopher Marlowe, 1804-04-01 This Prestwick House Literary Touchstone Classic includes a glossary vocabulary list and translations from Latin to help the modern reader appreciate the beauty of this classical play If you make a deal with the Devil are you then damned for all eternity This is the situation Doctor Faustus must face when his ambitions as a scholar and magician take an ominous turn Having sold his soul to Lucifer in exchange for twenty four years of power and pleasure can Faustus repent and be saved or is it too late This play critically acclaimed as Christopher Marlowe's greatest work boldly and imaginatively explores the age old question What profits a man if he gains the whole world yet loses his own soul Marlowe gives life to this concept in Faustus a single man in whom Heaven and Hell do battle Using both broad humor and deadly seriousness in this daring work Marlowe addresses the essence of the human soul Investigating the liability of knowledge the interplay of free will and fate and the perversion of power Faustus's story has as much relevance to us today as it did to audiences in the sixteenth century *The Journal of Education*, 1906 **Doctor Faustus** Christopher Marlowe, 1969 Doctor Faustus is a classic its imaginative boldness and vertiginous ironies have fascinated readers and playgoers alike But the fact that this play exists in two early versions printed in 1604 and 1616 has posed formidable problems for critics How much of either version was written by Marlowe and which is the more authentic Is the play orthodox or radically interrogative Michael Keefer's early work helped to establish the current consensus that the 1604 version best preserves Doctor Faustus's original form and that the 1616 text was censored and revised the first Broadview edition praised for its lucid introduction and scholarship was the first to restore two displaced scenes to their correct place All competing editions presume that the 1604 text was printed from authorial manuscript and that the 1616 text is of little substantive value But in 2006 Keefer's fresh analysis of the evidence showed that the 1604 quarto's Marlovian scenes were printed from a corrupted manuscript and that the 1616 quarto though indeed censored and revised preserves some readings earlier than those of the 1604 text This revised and updated Broadview edition offers the best available text of Doctor Faustus Keefer's critical introduction reconstructs the ideological contexts that shaped and deformed the play and the text is accompanied by textual and explanatory notes and excerpts from sources **BOOK JACKET** The Complete Signet Classic Shakespeare William Shakespeare, 1972 Brings together in one volume editions of all the plays poems and sonnets originally published as individual paperbacks in the New American Library's Signet Classic Shakespeare series With a General Introduction by Professor Barnet introductions to the individual plays by the contributing editors **"A" Critical Dictionary of English Literature and British and American Authors Living and Deceased** Samuel Austin Allibone, 1872 **A Critical Dictionary of English Literature and British and American Authors** Samuel Austin Allibone, 1870 *Late Shakespeare* Simon Palfrey, 1997 Shakespeare's late plays are usually seen in terms of courtliness and escapism But the critical tradition

has been too decorous Neither neo Christian pieties nor high political allegory can account for the works audacity and surprise or the popular investment in both their form and meaning Post structuralist and historicist approaches show the indeterminacy and materiality of language but rarely identify how particular figures words and characters capture and energize contested history Recent criticism tends to put a pre emptive master paradigm above all else a more sinuous minutely attentive critical vocabulary is needed to apprehend Shakespeare s turbulent precise teeming metaphorical discourse

A Critical Dictionary of English Literature and British and American Authors, Living and Deceased, from the Earliest Accounts to the Latter Half of the Nineteenth Century Samuel Austin Allibone,1871 **A Critical Dictionary of English Literature and British and American Authors, Living and Deceased, from the Earliest Account to the Latter Half of the Nineteenth Century** Samuel Austin Allibone,1882 **A Critical Dictionary of English Literature and British and American Authors** S. Austin Allibone,1874 *Interweaving myths in Shakespeare and his contemporaries* Janice Valls-Russell,Agnès Lafont,Charlotte Coffin,2017-10-06 This volume proposes new insights into the uses of classical mythology by Shakespeare and his contemporaries focusing on interweaving processes in early modern appropriations of myth Its 11 essays show how early modern writing intertwines diverse myths and plays with variant versions of individual myths that derive from multiple classical sources as well as medieval Tudor and early modern retellings and translations Works discussed include poems and plays by William Shakespeare Christopher Marlowe and others Essays concentrate on specific plays including *The Merchant of Venice* and *Dido Queen of Carthage* tracing interactions between myths chronicles the Bible and contemporary genres Mythological figures are considered to demonstrate how the weaving together of sources deconstructs gendered representations New meanings emerge from these readings which open up methodological perspectives on multi textuality artistic appropriation and cultural hybridity *Christopher Marlowe in the Eighties* Bruce Edwin Brandt,1992 **A Critical Dictionary of English Literature and British and American Authors Living and Deceased from the Earliest Accounts to the Latter Half of the Nineteenth Century by S. Austin Allibone** ,1870 *Write in Tune: Contemporary Music in Fiction* Erich Hertz,Jeffrey Roessner,2014-05-22 Contemporary popular music provides the soundtrack for a host of recent novels but little critical attention has been paid to the intersection of these important art forms *Write in Tune* addresses this gap by offering the first full length study of the relationship between recent music and fiction With essays from an array of international scholars the collection focuses on how writers weave rock punk and jazz into their narratives both to develop characters and themes and to investigate various fan and celebrity cultures surrounding contemporary music *Write in Tune* covers major writers from America and England including Don DeLillo Jonathan Franzen Zadie Smith and Jim Crace But it also explores how popular music culture is reflected in postcolonial Latino and Australian fiction Ultimately the book brings critical awareness to the power of music in shaping contemporary culture and offers new perspectives on central issues of gender race and national identity **The Tragical**
