Documents of Christian Worship James F. White, 1992-01-01 Based on twenty years of teaching experience James White presents this reference book as a resource for students and scholars who are engaged in studying and teaching the forms and meaning of Christian worship White utilizes original documents and classical statements related to worship and examines historically the application of liturgical practice in parish life **SCM Studyguide: Liturgy, 2nd Edition** Stephen Burns, 2017-10-30 The SCM Studyguide Liturgy 2nd Edition is an introduction to liturgy that considers the basic building blocks needed to grasp the subject area It outlines the essential shape and content of Christian worship and explores a range of liturgical dynamics of which both students of liturgy and leaders of liturgy need to be aware This 2nd edition of the popular Studyguide is fully revised updated and expanded The book takes account of new developments in scholarship engages with new contexts for liturgical celebration notably fresh expressions as part of a mixed economy of church encompasses recent revisions in liturgy and seeks to broaden the engagement beyond the British context to consider the wider global context The New Apologetics Ian S. Markham, 2020-03-27 Skepticism about Christianity abounds Building on the work of Charles Taylor Ian S Markham argues that contemporary skepticism is more a mood than an intellectual repudiation of Christian theology In its attempt to accommodate science the church too often opts for deistic responses that take the spiritual out of the material Against this response Markham argues for a rich imaginative account of the world that is grounded in Christian revelation and affirms spiritual causation angels and the reality of the saints It is a clarion call for the Western church to learn from the church in the Global South and create a rich theology that lives up to its professed values as a genuinely inclusive church **An Introduction to Ministry** Ian S. Kapic, 2025-12-02 A Dogmatic Exploration of the Christian Life What is Christian life Although we often use this phrase we rarely take the time to understand its theological basis In this volume in Zondervan Academic's New Studies in Dogmatics series theologian Kelly M Kapic reflects on Christian life its foundation its nourishment and its goal Kapic contends that Christian life is first and foremost one that is lived in response to the love of God But to properly frame this love Kapic

contents we need to consider divine and human agency What we discover is that not only did the triune God first love us but the incarnate Son also first loved God for us And now we respond to God's love as those who have been united to Christ and his people by the Spirit Shaped by the community of faith especially through corporate worship Christians thus participate in this love of God and neighbor What is true of the whole discipline of theology is thus reflected in Christian life Christ is its foundation Christ is its source of nourishment and Christ is its goal Readings in Christianity Robert E.
