Greenlit: Developing Factual TV Ideas from Concept to Pitch Nicola Lees, 2010-09-01 Blows the lid on so many TV secrets Tom Archer Controller Factual BBC If every first time producer read this before pitching a program I guarantee a greater success rate Gary Lico President CEO CABLEready USA In recent years there has been an explosion of broadcast and cable channels with a desperate need for original factual reality programming to fill their schedules documentaries observational series makeover formats reality competitions Yet television executives receive a daily avalanche of inappropriate pitches from pushy badly prepared producers Only 1 in 100 proposals are considered worth a second look and most commissioners never read past the first paragraph Greenlit explains how to develop research pitch and sell your idea for any type of factual or reality television show It gives the inside track on What channel executives are really looking for in a pitch The life stories of hit factual shows such as *The Apprentice* *Deadliest Catch* and *Strictly Come Dancing* Advice from channel commissioners development producers and on screen talent on both sides of the Atlantic Eleven steps that will increase your chance of winning a commission In a rapidly expanding TV market Greenlit is packed with resource lists sample proposals case studies and exercises designed to boost your skills and develop commission winning proposals

Cognitive Theory and Documentary Film Catalin Brylla, Mette Kramer, 2018-08-21 This groundbreaking edited collection is the first major study to explore the intersection between cognitive theory and documentary film studies focusing on a variety of formats such as first person wildlife animated and slow TV documentary as well as docudrama and web videos Documentaries play an increasingly significant role in informing our cognitive and emotional understanding of today's mass mediated society and this collection seeks to illuminate their production exhibition and reception Taking an interdisciplinary approach the essays draw on the latest research in film studies the neurosciences cultural studies cognitive psychology social psychology and the philosophy of mind With a foreword by documentary studies pioneer Bill Nichols and contributions from both theorists and practitioners this volume firmly demonstrates that cognitive theory represents a valuable tool not only for film scholars but also for filmmakers and practice led researchers

Visual Methodology in Migration Studies Karolina Nikielska-Sekula, Amandine Desille, 2021-07-29 This open access book explores the use of visual methods in migration studies through a combination of theoretical analyses and empirical studies The first section looks at how various visual methods

including photography film and mental maps may be used to analyse the spatial presence of migrants The second section addresses the processual building of narratives around migration thereby using formats such as film and visual essay and reflecting upon the ways they become carriers and mediators of both story and theory within the subject of migration Section three focuses on vulnerable communities and discusses how visual methods can empower these communities thereby also focusing on the theoretical and ethical implications of migration The fourth section addresses the issue of migrant representation in visual discourses Based on these contributions a concluding methodological chapter systematizes the use of visual methods in migration studies across disciplines with regard to their empirical theoretical and ethical implications Multidisciplinary in character this book is an interesting read for students and migration scholars who engage with visual methodologies as well as practitioners journalists filmmakers photographers curators of exhibitions who address the topic of migration visually

Plays David Carter, 2009 *The arts* **Lies, Damn Lies and Documentaries** Brian Winston, 2000 No Marketing Blurb *Essay Essentials with Readings* Sarah Norton, Brian Green, 2005-11 Full of tips examples and exercises *Essay Essentials with Readings 4e* takes a straightforward practical approach to writing by emphasizing the key writing steps planning drafting revising editing and how to apply them to essay composition Interspersed readings appeal to students while illustrating the various rhetorical modes While the focus of this text is on essay writing skills and techniques the fourth edition also contains a review of sentence level composition

Film Robert Hughes, 1959 *Film*, 1959 **Samurai Films** Roland Thorne, 2008 *The arts* *Essentials of Educational Technology* James E. Schwartz, Robert J. Beichner, 1999 Nowadays technology infiltrates every aspect of our lives Computers are altering and often improving the ways in which we do nearly everything And not surprisingly there are many effective ways to use the new technology in the classroom as well This book describes those ways This clear concise book discusses the integration of computer use into the curriculum Presenting the material as an integrated whole the authors encourage readers to think about the enormous power and potential of technology with its ability to change the way we think and learn The book relates the material to every major curriculum area offering accompanying activities and ideas for readers And this book also prepares readers to anticipate and prevent unwanted negative effects of technology The World Wide Web is discussed in great length as well Teachers of computers and technology

International Documentary, 2002 **Film News**, 1941 **International Film Guide**, 2008 *New Society*, 1978 **Writing for Television** Gilbert Seldes, 1968 This book is intended as a guide for those who want to write for television whether they have written for any other medium in the past or are coming in cold to the new field Since the techniques of TV are unfamiliar they have been fully described wherever they explain or illuminate the writer's problems and in addition a separate section on writing for production and direction Section II The Conditions has been supplied summing up the fundamentals to tell the writer what he needs to know about the other special crafts involved so that he will know what the producer director needs and why This is a book of craftsmanship not inspiration but no one who has worked in

television or observed its incredible capacities can approach it without feeling that in addition to its practical opportunities it offers tremendous satisfactions and great responsibilities It is young it is growing and changing it needs the kind of talent that can learn its techniques and take positive pleasure in the difficulties it presents **Show** ,1961-10 *Journal of the University Film Producers Association* ,1954 *Art and Artists on Screen* John Albert Walker,1993 **The Oxford Magazine** ,1951
