Adam Gamble, Takesato Watanabe

Documents On The Rape Of Nanking Ann Arbor Paperbacks:

The Nanking Atrocity, 1937-1938 Bob Tadashi Wakabayashi, 2017-08-01 First published in 2007 The Nanking Atrocity remains an essential resource for understanding the massacre committed by Japanese soldiers in Nanking China during the winter of 1937-38 Through a series of deeply considered and empirically rigorous essays it provides a far more complex and nuanced perspective than that found in works like Iris Chang's bestselling *The Rape of Nanking* It systematically reveals the flaws and exaggerations in Chang's book while deflating the self-exculpatory narratives that persist in Japan even today This second edition includes an extensive new introduction by the editor reflecting on the historiographical developments of the last decade in advance of the 80th anniversary of the massacre

Documents on the Rape of Nanking Timothy Brook, 1999 Newly revised resources for understanding the Rape of Nanking

Subject Guide to Books in Print, 2001

Saving the Nation Thomas H. Reilly, 2020-09-18 While Protestant Christians made up only a small percentage of China's overall population during the Republican period they were heavily represented among the urban elite Chinese Protestant elites adapted both the social message and practice of Christianity so that they were better able to contribute to the building of a New China *Saving the Nation* recounts the history of the Protestant elite and their struggle to strengthen and renew their nation

Japanese War Crimes Peter Li, 2017-07-12 The question of national responsibility for crimes against humanity became an urgent topic due to the charge of ethnic cleansing against the previous Yugoslav government But that was not the first such urging of legal and moral responsibility for war crimes While the Nazi German regime has been prototypical the actions of the Japanese military regime have been receiving increasing prominence and attention Indeed Peter Li's volume examines the phenomenon of denial as well as the deeds of destruction Certainly one of the most troublesome unresolved problems facing many Asian and Western countries after the Asia Pacific war 1931-1945 is the question of the atrocities committed by the Japanese Imperial Army throughout Asia and the Japanese government's repeated attempts to whitewash their wartime responsibilities The psychological and physical wounds suffered by victims their families and relations remain unhealed after more than half a century and the issue is now pressing This collection undertakes the critical task of addressing some of the multifaceted and complex issues of Japanese war crimes and redress This collection is divided into five themes In *It's Never Too Late to Seek Justice* the issues of reconciliation accountability and Emperor Hirohito's responsibility for war crimes are explored *The American POW Experience Remembered* includes a moving account of the Bataan Death March by an American ex-soldier *Psychological Responses* discusses the socio-psychological affects of the Nanjing Massacre and Japanese vivisection on Chinese subjects The way in which Japanese war atrocities have been dealt with in the theater and cinema is the focus of *Artistic Responses* And central to *History Must Not Forget* are the questions of memory trauma biological warfare and redress Included in this volume are samples of the many presentations given at the International Citizens Forum on War Crimes and Redress held in Tokyo in December

The Nature of True Virtue Jonathan

Edwards,1960 Like the great speculators Augustine Aquinas and Pascal Jonathan Edwards treated religious ideas as problems not of dogma but of life His exploration of self love disguised as true virtue is grounded in the hard facts of human behavior More than a hell fire preacher more than a theologian Edwards was a bold and independent philosopher Nowhere is his force of mind more evident than in this book He speaks as powerfully to us today as he did to the keenest minds of the eighteenth century Encyclopedia of Human Rights David P Forsythe,2009-08-27 Winner of the 2010 Dartmouth Medal this major five volume encyclopedia offers comprehensive coverage of all aspects of human rights theory practice law and history The set will provide situation profiles and full coverage of the development of the movement historical cases of abuse the key figures major organizations and a range of other issues in economics government religion and journalism that touch on human rights theory and practice In addition to providing original analytical articles covering standard subjects such as the right to health and health care Amnesty International the Balkan wars and former President of Ireland Mary Robinson it offers innovative coverage of such subjects as the Internet intellectual property rights the American civil rights movement globalization and Brazil in historical context Focusing primarily on developments since 1945 it offers an unrivaled reference source for students and researchers even human rights experts are likely to find much original material and keen insights in many of the entries KEY SUBJECT AREAS INCLUDE ORGANIZATIONS AND INSTITUTIONS American Civil Liberties Union World Health Organization UNICEF Carter Center LEADING FIGURES Adolf Hitler Steve Biko Elie Wiesel Simone de Beauvoir Joseph Stalin Eleanor Roosevelt Pol Pot Shirin Ebadi Kim Jong Il HUMAN RIGHTS EVENTS AND CRISES Darfur Irish Famine Soviet Gulag Central America in the 1980s Colonialism Belgian Congo AIDS HUMAN RIGHTS NORMS Ethnic Cleansing Women s Rights Religious Freedom Torture International Law Disability Rights Books on Japan in Western Languages Recently Acquired by the National Diet Library Kokuritsu Kokkai Toshokan (Japan),2000 *The Journal of Military History* ,2006 Japan Echo ,2001 **China Review International** ,2000 *Collaboration* Timothy Brook,2005-02-28 Studies of collaboration have changed how the history of World War II in Europe is written but for China and Japan this aspect of wartime conduct has remained largely unacknowledged In a bold new work Timothy Brook breaks the silence surrounding the sensitive topic of wartime collaboration between the Chinese and their Japanese occupiers Japan s attack on Shanghai in August 1937 led to the occupation of the Yangtze Delta In spite of the legendary violence of the assault Chinese elites throughout the delta came forward to work with the conquerors Using archives on both sides of the conflict Brook reconstructs the process of collaboration from Shanghai to Nanking Collaboration proved to be politically unstable and morally awkward for both sides provoking tensions that undercut the authority of the occupation state and undermined Japan s long term prospects for occupying China This groundbreaking study mirrors the more familiar stories of European collaboration with the Nazis showing how the Chinese were deeply troubled by their unavoidable cooperation with the occupiers The comparison provides a point of entry into the difficult but necessary discussion about this long ignored

aspect of the war in the Pacific **Encyclopedia of Prisoners of War and Internment** ,2006 This authoritative second edition provides a valuable overview of the history of prisoners of war and interned civilians from the earliest times to the present This edition offers new articles on Abu Ghraib Prison the Angolan Civil War the Iran Iraq War the Invasion of Tibet the War on Terror Guantanamo Detention Centre and U S Senator John McCain along with an extensive update of existing articles With 350 entries this edition is a full 30% larger than the previous edition Written by an international team of experts this fascinating and thought provoking volume covers a wide range of topics and themes including famous POWs concentration camps the two world wars the Crusades and Indian warfare along with medical conditions international law and exchanges of prisoners New features in this edition include Primary Source Documents from the Geneva Convention to the Presidential Signing Statement of the Torture Bill Full Color Maps and a Historical Timeline placing the articles in chronological sequence Plus a detailed Bibliography and list of End of Entry Reading Suggestions are provided for easy reference This one of a kind resource will be a helpful addition to the reference collections of all public libraries high schools and university libraries and will prove invaluable to historians and military enthusiasts **Journal of Asian History** ,2000

G.K. Hall Bibliographic Guide to East Asian Studies ,2000 The Chinese Historical Review ,2008 **The Authentic Voice** Arlene Notoro Morgan,Alice Irene Pifer,Keith Woods,2006 Accompanying DVD ROM contains seven television stories discussed in the book and interviews **A Public Betrayed** Adam Gamble,Takesato Watanabe,2004-07 In his new book Adam Gamble reveals how the Japanese media have dangerously overstepped their boundaries and distorted even wiped out honest news **War Crimes and War Crime Trials** John C. Watkins,John Paul Weber,2006 This is both a casebook of selected war crime decisions by various national and international tribunals in the twentieth and early twenty first centuries as well as a brief historical account of the geopolitical diplomatic and military events surrounding them The text is divided into six parts arranged in chronological order beginning with the Hague Peace Conferences of 1899 and 1907 up to the Summer 2004 decisions by the Supreme Court of the United States which dealt with transnational terrorism committed by United States citizens as well as the Guantanamo Bay Cuba detainees held under the authority of the Bush Administration War Crimes and War Crime Trials contains edited excerpts from forty four judicial opinions embellished with a congeries of international national military and political documents that add context to the case law The editors have included fairly extensive selections from some of the major materials that have surrounded subsequent war crime litigation Also included are an epilogue by Michael Ignatieff an eleven entry appendix a glossary containing over 200 words a reference section of over 1 400 citations from a wide variety of legal historical and international relations literature and a name and subject index War Crimes and War Crime Trials From Leipzig to the ICC and Beyond Cases Materials and Comments edited by John C Watkins Jr and John Paul Weber is the most complete book on the subjects to date In these challenging times it is an essential reference for all who study or are engaged in the events brought about by September 11 2001 Frank J Williams Chief Justice

of the Supreme Court of Rhode Island and Member of the Military Commissions Review Panel Skillfully edited the book weaves together an eclectic tableau of primary and secondary sources drawn from major court decisions and scholarly commentary over the past century The result is a versatile stand alone text and reference that should appeal to students of law political science criminal justice history and international relations alike CHOICE Magazine International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences,2000
