Ex Gay No Way Survival And Recovery From Religious Abuse:

Ex-Gay No Way Jallen Rix, 2010-09 Bringing to light an extreme fundamentalist Christian view this insider's perspective offers hope to people grappling with the aftereffects of a cult like movement often known as reparative Therapy The movement assumes that going from gay to straight is easily changeable and change worthy despite decades of psycho sexual research to the contrary Although it did not succeed in making the author a Southern Baptist who attended an ex gay ministry at a young age straight it did undermine his self esteem and confuse him significantly thus leading him to pursue an advanced degree in sexology in order to help others in similar positions Offering a detailed comparison of the ex gay world and the phenomenon known as Religious Abuse this manual shares a personal journey through the hopeless mistreatment and manipulative system of ex gay ministries and the recovery process involved in regaining strength acceptance and self worth *Handbook of LGBT-affirmative Couple and Family Therapy* Jerry J. Bigner, Joseph L. Wetchler, 2012 *Handbook of LGBT Affirmative Couple and Family Therapy* provides a comprehensive and specific overview spanning thirty chapters of the diverse and complex issues involved in LGBT couple and family therapy *Handbook of LGBTQ-Affirmative Couple and Family Therapy* Rebecca Harvey, Megan J. Murphy, Jerry J. Bigner, Joseph L. Wetchler, 2021-11-29 This comprehensive second edition inspires therapists to utilize clinical work to pragmatically address intersectional oppressions lessen the burden of minority stress and implement effective LGBTQ affirmative therapy A unique and important contribution to LGBTQ literature this handbook includes both new and updated chapters reflecting cutting edge intersectional themes like race ethnicity polyamory and monosexual normativity A host of expert contributors outline the best practices in affirmative therapy inspiring therapists to guide LGBTQ clients into deconstructing the heteronormative power imbalances that undermine LGBTQ relationships and families There is also an increased focus on clinical application with fresh vignettes included throughout to highlight effective treatment strategies Couple and family therapists and clinicians working with LGBTQ clients and those interested in implementing affirmative therapy in their practice will find this updated handbook essential

Undoing Theology Chris Greenough , 2018-05-31 The fundamental issue with queer research is it cannot exist in any definable form as the purpose of queer is to disrupt and disturb This book generates a process of undoing as central to queer research enquiries Aiming to engage in a process which breaks free from traditional academic norms the text explores three life stories an intersex identifying Catholic a former ex gay minister and a Christian who engages in bondage and fetishist practices Employing an undoing methodology which liberates the researcher and allows intuitive reflective and creative methods the book makes a significant contribution to the fields of gender sexuality and queer studies in religion both empirically and theoretically *Queer Media Images* Theresa Carilli, Jane Campbell, 2013-05-16 *Queer Media Images* LGBT Perspectives presents fifteen chapters that address how the gay lesbian bisexual and transgendered communities are depicted in the media This collection focuses on how the LGBT community has been silenced or given voice through the

media Through a study of queer media images this book scrutinizes LGBT media representations and how these representations contribute to a dialogue about civil rights for this marginalized community While the communication discipline has been open to the LGBT community there has been an absence of published research and a marginalizing or tokenizing of the queer voice Through a study of media representations this unique collection provides a snapshot into the issues surrounding LGBT identity during a time when the Defense of Marriage Act is called into question and explores what it means to study images through a queer lens **Safe Spaces** Annemarie Vaccaro, Gerri August, Megan S.

Kennedy, 2011-11-02 Based on extensive research recent events and numerous first person accounts this revealing book illuminates both the challenges and triumphs of lesbian gay bisexual and transgender youth and offers effective strategies for combating LGBT marginalization in our nation s schools and communities **Safe Spaces Making Schools and Communities Welcoming to LGBT Youth** is the first book to offer a comprehensive view of the complex lives of LGBT youth of all ages from kindergarten through college Drawing on a wealth of research collected from first person accounts of students family educators and community members the authors not only chronicle the struggles of LGBT youth but also describe models of inclusive school and community environments The authors address the breadth of experiences of LGBT youth in and out of the classroom at home and in the community and in personal interactions with allies and antagonists They also reveal how these young people their friends and families teachers and dedicated allies stem the tide of LGBT exclusion Most important **Safe Spaces** offers action steps for readers who want to make their own homes schools and communities safe and welcoming spaces for LGBT youth **Slouching towards Gaytheism** W. C. Harris, 2014-04-01 Argues that homophobia will not be eradicated in the United States until religion is ended **Slouching towards Gaytheism** brings together two intellectual traditions the New Atheism and queer theory and moves beyond them to offer a new voice for gay Americans and atheists alike Examining the continued vehemence of homophobia in cultural and political debate regarding queer equality this unabashed polemic insists that the needs met by religion might be met more safely and less toxically by forms of community that do not harass and malign gay and lesbian Americans or impede collective social progress W C Harris argues that compromises with traditional religion no matter how enlightened or well intentioned will ultimately leave heteronormativity alive and well He explores a range of recent movements such as Dan Savage s It Gets Better project reparative ex gay therapy Christian purity culture and attempts by liberal Christians to reconcile religion with homosexuality and shows how these proposed solutions are either inadequate or positively dangerous According to the author the time has come for gaytheism leaving religion behind in order to preserve queer dignity rights and lives Lively original and serious this book is great fun to read One looks forward to how Professor Harris will skewer the next foe Paul Robinson author of *Queer Wars* *The New Gay Right and Its Critics* **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff, R R

Southwest, 1984-1985 Marquis Who's Who, LLC,1984 **Who's who in the South and Southwest** ,1984 Includes names from the States of Alabama Arkansas the District of Columbia Florida Georgia Kentucky Louisiana Mississippi North Carolina Oklahoma South Carolina Tennessee Texas and Virginia and Puerto Rico and the Virgin Islands Healing the Soul after Religious Abuse Mikele Rauch,2009-03-20 Recent scandals of clergy sexual abuse have brought attention to the victims and their responses to and recovery from their abuse But few have considered the effect of the abuse on a victim s soul and religious outlook and beliefs Healing the Soul after Religious Abuse offers a unique perspective of recovery and restoration of the soul after religious abuse The author argues that religious abuse often stops not only psychological growth but also inward development The effect is not simply emotional because the devastation reaches to the core of the spirit Often there is no place for a God of love or a love of what once was divine Through a series of personal interviews with persons from the five major religions Rauch considers various ways that religion can do harm The stories told in this book include the road to restoration in the wake of institutional abuse and how inner experience is sometimes confused with religious training the sacred task of spiritual leadership and how to restore trust when there has been a violation an exploration of sacrifice and a clarification of the notion of shame a look at the impact of religious bigotry in the areas of race sexuality and tolerance an overview of sexuality and the place it holds in both celibate and family life the pernicious issue of clergy sexual abuse and the signs of spiritual trauma in response to such violation a roadmap for restoration and a challenge to religious institutions and lastly ways to reclaim the sacred and rewire the spirit Through interviews research and personal stories the author tells a story of recovery of the most delicate kind offering pathways through the dark night of religious violation to a restoration of the soul and its immense possibilities "Ex-gay?", *No Way!* Jallen Rix,1998 The National Organization of Psychologists has spoken reparative therapy is not only unnecessary it is damaging to those who attempt and fail to change their sexuality Yet reparative therapy and ex gay groups abound often creating in their members guilt shame addiction and even suicide This workbook is designed by people who have been damaged by such groups to help those still feeling the effects of their ex gay experience excellent for either group discussion or personal use Page 4 of cover **Ex-Gay Christian** Bob Williams,2018-07-29 As a Christian educator for a period I was caught up in pornography and homosexual interests and assumed there was no way out arrested and cast aside by my church family and those close to me Then when at my lowest the Lord rescued me He commissioned me to share my testimony with others who have been rejected and forsaken He said to tell them of His love Anything but Straight Wayne Besen,2012-07-26 The real story behind ex gay ministries and reparative therapy Nationally known activist Wayne Besen spent four years examining the phenomenon of ex gay ministries and reparative therapies interviewing leaders attending conferences and visiting ministries undercover as he accumulated hundreds of hours of research The result is Anything but Straight Unmasking the Scandals and Lies Behind the Ex Gay Myth a groundbreaking expos of the controversial movement that s revered by independent religious groups and reviled by gay

and lesbian organizations The book presents a historical perspective on the dispute examining ex gay groups such as Love In Action Exodus International Homosexuals Anonymous and profiling a cast of characters that includes Pat Robertson the Rev Jerry Falwell ex gay poster boy John Paulk National Association of Research and Therapy of Homosexuality activist Richard Cohen and psychiatrist Dr Robert Spitzer An in depth well researched and historically significant account Anything but Straight is full of startling facts and alarming surprises The original content and novel material in the book includes a first ever comprehensive history of the ex gay ministries and reparative therapy the inside story of the night the author photographed ex gay poster boy John Paulk inside a gay bar the author s discovery that Anne Paulk lied about being a lesbian and has admitted to having a strong attraction to men BEFORE she became ex gay previously undisclosed bizarre techniques used by the ex gay ministries and reparative therapists the author s exclusive in depth interviews with leading ex gay leadersthey disclose their deepest secrets hidden desires and true motivations an extraordinary new study that shows that most ex gay leaders have suffered from substance abuse or severe emotional problemswhile many ex gay leaders claim they were unhappy being gay this report helps prove that their dissatisfactions came not from their homosexuality but from poor life choices and irresponsible behavior new revelations that one of the nation s leading reparative therapists hailed from a secretive cult that was scandalized for practicing nude therapy From the author Through my extensive experience I have learned that the extraordinary claims made by the ex gay groups are without merit and the efficacy of their programs is dubious at best and harmful at worst One frequent question I get is Why can t gay activists simply leave ex gay groups alone and let them go about their business This is exactly what happened for nearly three decades while ex gay groups labored in near anonymity But all this recently changed when the ex gay groups intricately aligned themselves with the anti gay political agenda of the Religious Right With ex gays added to their arsenal the Right could disingenuously claim to love gay people and offer them hope for change while simultaneously fighting for punitive legislation Their insidious message Since gays and lesbians can change there is no need for laws that protect them against arbitrary prejudice Anything but Straight Unmasking the Scandals and Lies Behind the Ex Gay Myth is an essential read for activists on both sides of the ex gay fence family members of gays and lesbians Gay Bisexual Lesbian and Transgender church members psychiatric and social science professionals and anyone who has dealt with coming out issues An appendix of resources and a helpful bibliography make it easy to find additional information on this fascinating topic
