## **Examining Japans Lost Decades Routledge Contemporary Japan Series:**

**Examining Japan's Lost Decades** Yoichi Funabashi, Barak Kushner, 2015-04-10 This book examines five features of Japan's Lost Decades: the speed of the economic decline in Japan compared to Japan's earlier global prowess; a rapidly declining population; considerable political instability and failed reform attempts; shifting balances of power in the region; and changing relations with Asian neighbouring nations and the lingering legacy of World War Two. Addressing the question of why the decades were lost, this book offers 15 new perspectives ranging from economics to ideology and beyond. Investigating problems such as the risk-averse behaviour of Japan's bureaucracy and the absence of strong political leadership, the authors analyse how the delay of loss-cutting policies led to the 1997 financial crisis and a state of political gridlock where policymakers could not decide on firm strategies that would benefit national interests. To discuss the rebuilding of Japan, the authors argue that it is first essential to critically examine Japan's Lost Decades, and this book offers a comprehensive overview of Japan's recent 20 years of crisis. The book reveals that the Lost Decades is not an issue unique to the Japanese context but has global relevance, and its study can provide important insights into challenges being faced in other mature economies. With chapters written by some of the world's leading Japan specialists and chapters focusing on a variety of disciplines, this book will be of interest to students and scholars in the areas of Japan studies, Politics, International Relations, Security Studies, Government Policy, and History.

**Japan's Quiet Leadership** Mireya Solis, 2023-08-14 Why has Japan emerged from the lost decades unscathed from the populist wave and a far more consequential actor in the geopolitics of the Indo-Pacific? In answering this question, *Japan's Quiet Leadership* provides a sweeping look at Japan's domestic economic and political evolution, its economic statecraft, and the array of geopolitical challenges that have triggered a gradual but substantial shift in the country's security profile. This deep dive into Japan's trajectory over the last three decades underscores Japan's hidden strengths in its democratic resilience, social stability, and proactive diplomacy while reckoning with the profound challenges the nation faces: depopulation, rising inequality, voter disengagement, and threats to Asia's long peace. The book traces the profound currents of change coursing through the Japanese polity and its external environment and the myriad ways in which Japan's experience has become more relevant to countries coping with slow growth, adverse demographics, adjustment to economic globalization, and the emergence of a powerful and assertive China. This is a story of Japan's reinvention as a network power to overcome the harsh realities of diminishing relative capabilities. In reshaping the Indo-Pacific, Tokyo deployed a robust economic strategy of trade integration and infrastructure finance and a proactive security diplomacy cultivating new partnerships with regional and extra-regional actors and deepening the alliance with the United States. Nevertheless, acute geopolitical rifts, Japan's pandemic insularity, and the securitization of international economic relations are testing Japan's statecraft of connectivity. The tasks at home are no less pressing: delivering on the green, digital, and human capital transformations, avoiding the return of the politics of indecision at the helm of the nation, and

fostering democratic dynamism This book illuminates where the Japanese polity economy and people are heading as we move past the Abe era and well into the 2020s and beyond **Rethinking Japanese Studies** Kaori Okano, Yoshio Sugimoto, 2017-08-04

Japanese Studies has provided a fertile space for non Eurocentric analysis for a number of reasons It has been embroiled in the long running internal debate over the so called Nihonjinron revolving around the extent to which the effective interpretation of Japanese society and culture requires non Western Japan specific emic concepts and theories This book takes this question further and explores how we can understand Japanese society and culture by combining Euro American concepts and theories with those that originate in Japan Because Japan is the only liberal democracy to have achieved a high level of capitalism outside the Western cultural framework Japanese Studies has long provided a forum for deliberations about the extent to which the Western conception of modernity is universally applicable Furthermore because of Japan s military economic and cultural dominance in Asia at different points in the last century Japanese Studies has had to deal with the issues of Japanocentrism as well as Eurocentrism a duality requiring complex and nuanced analysis This book identifies variations amongst Japanese Studies academic communities in the Asia Pacific and examines the extent to which relatively autonomous scholarship intellectual approach or theories exist in the region It also evaluates how studies on Japan in the region contribute to global Japanese Studies and explores their potential for formulating concrete strategies to unsettle Eurocentric dominance of the discipline **Intercultural Communication in Japan** Satoshi Toyosaki, Shinsuke Eguchi, 2017-02-24

Japan is heterogeneous and culturally diverse both historically through ancient waves of immigration and in recent years due to its foreign relations and internationalization However Japan has socially culturally politically and intellectually constructed a distinct and homogeneous identity More recently this identity construction has been rightfully questioned and challenged by Japan s culturally diverse groups This book explores the discursive systems of cultural identities that regenerate the illusion of Japan as a homogeneous nation Contributors from a variety of disciplines and methodological approaches investigate the ways in which Japan s homogenizing discourses are challenged and modified by counter homogeneous message systems They examine the discursive push and pull between homogenizing and heterogenizing vectors found in domestic and transnational contexts and mobilized by various identity politics such as gender sexuality ethnicity foreign status nationality multiculturalism and internationalization After offering a careful and critical analysis the book calls for a complicating of Japan s homogenizing discourses in nuanced and contextual ways with an explicit goal of working towards a culturally diverse Japan Taking a critical intercultural communication perspective this book will be of interest to students and scholars of Japanese Studies Japanese Culture and Japanese Society Social Inequality in Post-Growth Japan David Chiavacci, Carola Hommerich, 2016-09-13 In recent decades Japan has changed from a strongly growing economically successful nation regarded as prime example of social equality and inclusion to a nation with a stagnating economy a shrinking population and a very high proportion of elderly people Within this new forms of inequality

are emerging and deepening and a new model of Japan as gap society kakusa shakai has become common sense These new forms of inequality are complex are caused in different ways by a variety of factors and require deep seated reforms in order to remedy them This book provides a comprehensive overview of inequality in contemporary Japan It examines inequality in labour and employment in welfare and family in education and social mobility in the urban rural divide and concerning immigration ethnic minorities and gender The book also considers the widespread anxiety effect of the fear of inequality and discusses how far these developments in Japan represent a new form of social problem for the wider world

*Reworking Japan* Nana Okura Gagné, 2021-01-15 *Reworking Japan* examines how the past several decades of neoliberal economic restructuring and reforms have challenged Japan's corporate ideologies gendered relations and subjectivities of individual employees With Japan's remarkable economic growth since the 1950s the lifestyles and life courses of salarymen came to embody the New Middle Class family ideal However the nearly three decades of economic stagnation and reforms since the bursting of the economic bubble in the early 1990s has intensified corporate retrenchment under the banner of neoliberal restructuring and brought new challenges to employees and their previously protected livelihoods In a sweeping appraisal of recent history Gagné demonstrates how economic restructuring has reshaped Japanese corporations workers and ideals as well as how Japanese companies and employees have resisted and actively responded to such changes Gagné explores Japan's fraught and problematic transition from the postwar ideology of companyism to the emergent ideology of neoliberalism and the subsequent large scale economic restructuring By juxtaposing Japan's economic transformation with an ethnography of work and play and individual life histories Gagné goes beyond the abstract to explore the human dimension of the neoliberal reforms that have impacted the nation's corporate governance socioeconomic class workers subjectivities and family relations *Reworking Japan* with its firsthand analysis of how the supposedly hegemonic neoliberal regime does not completely transform existing cultural frames and social relations will shake up preconceived ideas about Japanese men and the social effects of neoliberalism

Rethinking Japanese Economic Policy at the Turn of the 21st Century Junko Watanabe, 2024-09-30 This book focusing on the Japanese economy mainly from the 1990s to the 2010s examines the Japanese industrial and fiscal monetary policies and evaluates its achievements and limits from a historical perspective Although the period that was also referred to as the lost decade or two three decades was marked by various policy discussions there are still few studies that summarize them as a history Another unique feature of this publication is that it includes the contributions not only from researchers but also from those who were in a position close to the policy makers By rethinking this era many Japanese not just researchers and policy makers will be motivated to move toward a new era Many of the chapters in the book are based on the primary sources not found elsewhere including the interviews with policymakers and collection of policy documents in addition to the authors own analysis views and findings They attempt to describe policymakers struggles to exit from the long term recession after the collapse of the bubble economy seeking to get

back on the trajectory for economic growth The readers will gain new factual perceptions and discoveries from these historical contexts The issues presented in this book will also contribute to the international understanding of policy efforts in Japan which is facing a frontier with high uncertainty Japan s experience and its challenges are common in many aspects to developed countries now and in the future **Japan** Jeff Kingston,2019-01-18 Japan anchored by its traditions transformed by American post war Occupation and globally recognized for its technological innovations manufacturing prowess and pop culture faces powerful challenges from within and without How Japan chooses to handle these problems and opportunities will determine its future for decades to come In this book Jeff Kingston one of the most lucid analysts of Japan today takes readers on a fascinating journey through this country s contemporary history exploring the key developments and forces both at home and abroad that are shaping Japan in the twenty first century Whether Prime Minister Shinzo Abe s transformative agenda of Abenomics and proactive pacifism toward a rising China and a belligerent North Korea can set Japan on the path to greater prosperity and security remains to be seen But having won a third term as president of the Liberal Democratic Party in 2018 Japan s ongoing transformation is very much in Abe s hands In the Ruins of the Japanese Empire Barak Kushner,Andrew Levidis,2020-02-06 In the Ruins of the Japanese Empire concludes that early East Asian Cold War history needs to be studied within the framework of post imperial history Japan s surrender did not mean that the Japanese and former imperial subjects would immediately disavow imperial ideology The end of the Japanese empire unleashed unprecedented destruction and violence on the periphery Lives were destroyed names of cities altered collaborationist regimes which for over a decade dominated vast populations melted into the air as policeman bureaucrats soldiers and technocrats offered their services as nationalists revolutionaries or communists Power did not simply change hands swiftly and smoothly In the chaos of the new order legal anarchy revenge ethnic displacement and nationalist resentments stalked the postcolonial lands of northeast Asia intensifying bloody civil wars in societies radicalized by total war militarization and mass mobilization Kushner and Levidis s volume follows these processes as imperial violence reordered demographics and borders and involved massive political economic and social dislocation as well as stubborn continuities From the hunt for traitors in Korea and China to the brutal suppression of the Taiwanese by the Chinese Nationalist government in the long forgotten February 28 Incident the research shows how the empire s end acted as a catalyst for renewed attempts at state building From the imperial edge to the metropole investigations shed light on how prewar imperial values endured during postwar Japanese rearmament and in party politics Nevertheless many Japanese actively tried to make amends for wartime transgressions and rebuild Japan s posture in East Asia by cultivating religious and cultural connections This third book to emerge from Barak Kushner s massive collaborative research project on the dissolution of Japan s empire lays out a new geography of turning the ruins into social economic political and cultural opportunities across Northeast Asia and with lasting consequences This book will change the way we research and teach 1945 in a global context Franziska Seraphim

Boston College Writing imperial history linking the prewar to postwar is perilous because it must resist domestic taboos and social pressures Today s global society where history incites extreme nationalism and serves as catalyst for conflict calls for the creation of a new history of the end of empire as Kushner and his team have done in this volume ASANO Toyomi Waseda University

**The Crisis in Pro Baseball and Japan's Lost Decade** Paul Dunscomb,2023-10-27 This book examines Japan s Heisei era through the lens of the crisis in Japanese professional baseball of 2004 challenging the narrative of decline that dominates the discourse on the period The story of this crisis reveals much about the Japanese psyche during the Lost Decade about the nature of change during Heisei Japan and of the nation s resilience The business of professional baseball provides crucial insights as it achieved its basic form at the same time as Japan s postwar political economy and shared many characteristics with it including systemic inefficiencies that post bubble Japan could no longer sustain The book traces how the crisis unfolded and the cast of characters who appeared during it including team owners players IT entrepreneurs and ordinary fans revealing much about the push and pull of continuity and change in Japan Featuring an in depth analysis of the key participants and developments of the crisis in baseball this book will be a valuable resource for students and scholars of sports management Japanese history and Japanese culture particularly of the Heisei era *Historical Abstracts* Eric H.

## **Examining Japans Lost Decades Routledge Contemporary Japan Series Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Examining Japans Lost Decades Routledge Contemporary Japan Series has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Examining Japans Lost Decades Routledge Contemporary Japan Series has opened up a world of possibilities. Downloading Examining Japans Lost Decades Routledge Contemporary Japan Series provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Examining Japans Lost Decades Routledge Contemporary Japan Series has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Examining Japans Lost Decades Routledge Contemporary Japan Series. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Examining Japans Lost Decades Routledge Contemporary Japan Series. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Examining Japans Lost Decades Routledge Contemporary Japan Series, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Examining Japans Lost Decades Routledge Contemporary Japan Series has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of

free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Examining Japans Lost Decades Routledge Contemporary Japan Series Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Examining Japans Lost Decades Routledge Contemporary Japan Series is one of the best book in our library for free trial. We provide copy of Examining Japans Lost Decades Routledge Contemporary Japan Series in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Examining Japans Lost Decades Routledge Contemporary Japan Series. Where to download Examining Japans Lost Decades Routledge Contemporary Japan Series online for free? Are you looking for Examining Japans Lost Decades Routledge Contemporary Japan Series PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Examining Japans Lost Decades Routledge Contemporary Japan Series. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Examining Japans Lost Decades Routledge Contemporary Japan Series are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Examining Japans Lost Decades Routledge Contemporary Japan Series. So depending on what exactly you are searching, you will be able to choose e books to

suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Examining Japans Lost Decades Routledge Contemporary Japan Series To get started finding Examining Japans Lost Decades Routledge Contemporary Japan Series, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Examining Japans Lost Decades Routledge Contemporary Japan Series So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Examining Japans Lost Decades Routledge Contemporary Japan Series. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Examining Japans Lost Decades Routledge Contemporary Japan Series, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Examining Japans Lost Decades Routledge Contemporary Japan Series is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Examining Japans Lost Decades Routledge Contemporary Japan Series is universally compatible with any devices to read.
