Exam Questions Entrepreneurship Theory Process And Practice:

Entrepreneurship in Theory and Practice S. L. Nielsen, K. Klyver, M. Rostgaard Evald, 2012-01-01 The strength of this book is It is pitched at a level suitable for students who just want to go out and found their own businesses or think that they do it is written in a very friendly supportive non intimidating style in which the authors empathise with the student indeed empathy is an interesting subtheme of some of the things they suggest about the successful entrepreneur Mark Casson University of Reading UK Entrepreneurship in Theory and Practice is not your typical textbook in entrepreneurship The authors have taken a very creative look at the seeming contradictions that make up the creation of a new business venture Their use of current research as well as thought provoking cases to illustrate behaviors such as opportunity recognition make this book one that both professors and would be entrepreneurs should read Alan L Carsrud Ryerson University Canada This unique textbook on entrepreneurship aimed primarily at undergraduate students provides the reader with a broad overview of the entrepreneurship phenomenon It focuses on the emergence evaluation and organizing of entrepreneurial opportunities in various organizational contexts Each chapter kicks off with a real life international case story by high profile entrepreneurship scholars including William B Gartner Saras Sarasvathy Alain Fayolle Kevin Hindle Thomas Cooney Anita Van Gils and Ann Clarke Theories of entrepreneurship are embedded with tensions and dilemmas which this book presents as a collection of paradoxes for each theme and chapter The book challenges the reader to be critical and to take a stand on the many paradoxical situations entrepreneurs encounter on their entrepreneurial journey The authors present theory and knowledge unique to the paradoxical world of entrepreneurship Including international cases student involvement theory paradoxes actions and exercises all undergraduate students with or without prior entrepreneurship education can enjoy the many benefits puzzles and insights the book has to offer ECIE 2017 12th European Conference on Innovation and Entrepreneurship Christophe Loué, Sonia Ben Slimane, 2017-09-21 **What do Entrepreneurs Create?** Michael H. Morris, Donald F. Kuratko, 2020-01-31 Four different types of ventures created by entrepreneurs are explored in What Do Entrepreneurs Create survival lifestyle managed growth and aggressive growth The concept of a balanced venture portfolio is introduced to guide public policy formulation and the development of entrepreneurial ecosystems *ICIE 2014 Proceedings of the 2nd International Conference on Innovation and Entrepreneurship* Academic Conferences and Publishing Limited, 2014-06-02 Enterprising Africa Stephen Dobson, Paul Jones, Daniel Agyapong, Gideon Maas, 2020-12-30 Enterprising Africa explores the future opportunities challenges growth areas and key themes that will shape entrepreneurship in the African continent over the next decade Entrepreneurship can be the key to unlock resilient growth but only if it is driven by both socially productive and growth oriented new businesses The book considers entrepreneurship as an enabler for socio economic growth and development in Africa especially in the context of youth unemployment and increasing youth population for which the traditional and indeed emerging industrial sectors will not be able to produce

sufficient jobs to meet demand Organised around three thematic parts Part I covers the notion of inclusive growth and the role that entrepreneurs can play supporting this Part II considers the dynamic between entrepreneurs and the environment since social economic and environmental concerns need to build upon each other rather than vie for recognition Finally Part III offers chapters exploring policy contexts and the wider institutional ecosystems that need to be developed and enhanced to ensure a strong and vibrant environment for the future entrepreneurs of Africa to thrive Edited and authored by leading experts in the field this fascinating text will be of interest to academics as well as students of International Transformational and Social Entrepreneurship and International and African Business *Sustainable Entrepreneurship* Vanessa Ratten,Paul Jones,Vitor Braga,Carla Susana Marques,2019-03-27 Sustainable entrepreneurship focuses on how the environment is embedded within business practices This book examines collaboration strategies and initiatives for sustainable entrepreneurs with a wide variety of partners and demonstrates how they can be used to increase overall performance and achieve global competitiveness Based on the latest empirical evidence from emerging economies the book s respective chapters address sustainability issues in connection with knowledge creation and learning outsourcing and the roles of universities consultants and the public sector **Introduction to Gender Studies in Eastern and Southern Africa** James Etim,2016-07-28 Africa has witnessed massive changes in the last fifty years from independence through structural adjustment rule by military juntas in several countries and to a period now where the focus is on how best to prioritize their needs based on resources national goals and human potential There is general agreement that human capital is important in economic growth and development There is always the need to ensure that resources and human capital are used appropriately to advance development Gender disparities whether in treatment access to resources resource utilization and the law may in themselves retard or slow down development Resources and human potential in all societies include how best to ensure there is no gender disparity and to fully tap the resources inherent in women for personal social and national development Beginning with the women s suffrage movement there has been the push to encourage gender equality worldwide The Fourth World Conference on Women in Beijing in 1995 embodies the commitment of the international community to implement policies that will enhance the political social economic educational empowerment of women This book highlights the issues affecting women in Eastern and Southern Africa what role does custom and patriarchy play in gender disparities in education access to health problems in the workplace and family relationships How have women writers in the last twenty years presented the issues of patriarchy women s rights globalism and women s holistic development What are recent developments that have helped improve the situation for some women These are some of the issues that are covered in this book The thesis of this book is that there have been policies and strategies developed that have worked to empower women However vestiges of sexism gender disparities in several fields still remain and traditions customs and patriarchy have aided in still keeping women down div div **Entrepreneurship** Donald F.
