Early Childhood Report, 2007. *A Guide to Evidence-Based Group Work*. Mark J. Macgowan, 2008-02-12. Organized logically around the process and philosophy of evidence based practice, the text develops a four stage sequence in which group workers formulate a practice question, search for evidence, undertake a critical review of the evidence, and apply the evidence with judgment, skill, and concern for relevance and appropriateness, utilizing evaluation to determine if desired outcomes are achieved. The evidence based framework teaches students how to apply best practices through a wealth of case examples, checklists, assessment tips, and clear instructions for formulating questions and evaluating answers. Designed as a supplement for graduate group work courses, this landmark book will be equally valuable to professionals eager to hone their practice skills and researchers searching for group interventions and assessment tools. BOOK JACKET. *Journal of Early Childhood and Infant Psychology*, 2006.
