Ethnographic Essays In Cultural Anthropology A Problem Based Approach:

Ethnographic Essays in Cultural Anthropology R. Bruce Morrison, C. Roderick Wilson, 2002 This collection of ten mini ethnographies takes a problem based learning approach focusing on contextual and cumulative learning to enhance student understanding of the fundamental concepts of cultural anthropology The problems covered in the text range from how anthropology contributes to an understanding of human similarities and differences and why people believe different things to inequality violence poverty and death Each problem is explored in the context of a particular society including Canada Ecuador Indonesia Kohistan Tibet Tonga the United States and Sudan

The Latinx Philosophy Reader Lori Gallegos, Manuel Vargas, Francisco Gallegos, 2025-05-15 The Latinx Philosophy Reader showcases a wide range of significant philosophical works about Latinx people and their experiences displaying the breadth distinctiveness originality and diversity of Latinx philosophy Readings include discussions of what it is like to be perceived as undocumented ethical quagmires affecting those who interpret for their family members the difficulty of pursuing career success without compromising one's cultural identity and values the nature of citizenship disputes about labels the significance of language and debates about the nature of Latinx identity The editors detailed introduction orients readers with an overview of the origins of the field of Latinx philosophy a guide to terminology and a history of the idea of Latinx identity in the United States The volume's 35 readings are made up of both widely read and cited articles from journals and books and newly commissioned contributions from the leading voices in the field All of them are organized into seven thematic units in contemporary Latinx philosophy Social Identity Mestizaje and Indigeneity Cross Cultural Challenges Epistemology Phenomenology and Coloniality Language and Communication Immigration and Citizenship Metaphilosophy Each of these seven units includes its own introduction that connects each reading to the overarching themes of the unit and volume Throughout the readings provide an accessible entry point to readers who are new to philosophy The texts generate opportunities for philosophical reflection without requiring readers to consult additional resources to grasp the major insights They can be read in any order allowing for ready adaptation to the particular interests of instructors and students Key Features Includes accessible previously published articles as well as newly commissioned contributions from leading voices in the field Foregrounds the explosion of more recent work on Latinx philosophy while also including essential classic texts Provides a general introduction that contextualizes Latinx philosophy and explains its distinct and broader importance Includes seven smaller unit introductions that describe the importance and relevance of each reading in the unit Highlights a diversity of latinidades or ways of being Latinx portraying a range of Latinx experiences and concerns Provides reading and discussion questions for each chapter

Up, Down, and Sideways Rachael Stryker, Roberto J. Gon, 2014-08-01 Using a vertical slice approach anthropologists critically analyze the relationship between undemocratic uses and abuses of power and the survival of the human species The contributors scrutinize modern institutions in a variety of regions from Russia and Mexico to South Korea and the U S Up

Down and Sideways is an ethnographic examination of such phenomena as debt culture global financial crises food insecurity indigenous land and resource appropriation the mismanagement of health care and corporate surrogacy within family life With a preface by Laura Nader this is essential reading for anyone seeking solid theories and concrete methods to inform activist scholarship

Cultural Anthropology Richard H. Robbins, Rachel A. Dowty Beech, 2020-07-16 In a first of its kind format Cultural Anthropology A Problem Based Approach is organized by problems and questions rather than topics creating a natural discussion of traditional anthropological concerns such as kinship caste gender roles and religion

Happiness Across Cultures Helaine Selin, Gareth Davey, 2012-02-28 Different cultures experience happiness differently Traditionally the West is considered materialistic and happiness is said to come from achievement and acquisition The East is said to be more people oriented where happiness is a result of deep personal interactions Thus poor people can be happier in the East than the West because they are not so concerned with possession and more with society This book considers happiness and quality of life in non Western countries and cultures Its coverage is diverse and spans the breadth of the non Western world revealing unique perspectives of happiness and life quality embedded in rich cultural traditions and histories

Walking to Magdalena Seth Schermerhorn, 2019-04-01 In Walking to Magdalena Seth Schermerhorn explores a question that is central to the interface of religious studies and Native American and indigenous studies What have Native peoples made of Christianity By focusing on the annual pilgrimage of the Tohono O odham to Magdalena in Sonora Mexico Schermerhorn examines how these indigenous people of southern Arizona have made Christianity their own This walk serves as the entry point for larger questions about what the Tohono O odham have made of Christianity With scholarly rigor and passionate empathy Schermerhorn offers a deep understanding of Tohono O odham Christian traditions as practiced in everyday life and in the words of the O odham themselves The author's rich ethnographic description and analyses are also drawn from his experiences accompanying a group of O odham walkers on their pilgrimage to Saint Francis in Magdalena For many years scholars have agreed that the journey to Magdalena is the largest and most significant event in the annual cycle of Tohono O odham Christianity Never before however has it been the subject of sustained scholarly inquiry Walking to Magdalena offers insight into religious life and expressive culture relying on extensive field study videotaped and transcribed oral histories of the O odham and archival research The book illuminates indigenous theories of personhood and place in the everyday life narratives songs and material culture of the Tohono O odham
