Ética Bachillerato Santillana:

El Libro español, 1985

Ética Yolanda Angulo Parra, 2010

Ética y valores Yolanda Angulo Parra, 2011

Hombres y documentos de la filosofía española Gonzalo Díaz Díaz, 1980 Hombres y documentos de la filosofía española la obra mayor en siete tomos de Gonzalo Díaz ha necesitado para nacer completa casi un cuarto de siglo 1980 2003 Es normal que en tan largo periodo de tiempo no haya podido recoger en las sucesivas entregas alfabéticas a filósofos que en el momento de ver luz el tomo correspondiente a la letra de sus apellidos o no tenían por su juventud un número suficiente de publicaciones o no pudieron ser incluidos en su momento a pesar de su madurez En vista de ello Gonzalo Díaz y María Dolores Abad su esposa pensaron en un addenda que dieran cuenta de los ausentes más un tomo de índices destinado a organizar sistemáticamente la ingente cantidad de materiales acumulada Pero varias circunstancias impidieron que los creadores de esta magna obra pudieran rematar su proyecto Pues bien condiciones favorables que se dieron en el primer quinquenio de nuestro siglo en el entorno del hispanismo filosófico español han permitido que el benemérito esfuerzo del matrimonio Díaz Abad pueda continuar y su diccionario obra magna en su género por abarcar toda la historia española y toda la enciclopedia filosófica se haya ahora enriquecido y actualizado pues la mayor parte de los autores aquí incluidos nacidos entre 1930 y 1970 son testimonio fidedigno de una parte de la filosofía que hoy se hace en España Cuando están publicados todos los Addenda se habrá cerrado en papel la más importante obra bibliográfica de la filosofía española obra de necesaria consulta para quien desee aproximarse al patrimonio filosófico español de todos los tiempos Fuente editor **Ética y valores, 1** Yolanda Angulo Parra, 2009 **Ética, Comunicación y Género. Debates actuales** Juan Carlos Suárez Villegas, 2020-06-29 La investigación se ha concebido tradicionalmente como una diversidad de espacios estancos con los que no se establecía conexión Ha sido objetivo de este volumen buscar entre distintas disciplinas nexos de unión temática mirando con una vocación transversal la comunicación y los estudios de género En este ambicioso volumen incluimos un conjunto de aportaciones académicas de personas o equipos investigadores pero también profesionales con una larga trayectoria y reconocimiento en la comunidad académica Sin embargo también hemos incluido aportaciones de quienes empiezan con el propósito de incentivar su carrera académica Con esta perspectiva cuatro conceptos clave como su crítica o ausencia confluyen en este volumen la comunicación perspectiva de género y también algunas contribuciones de corte jurídico Se pretende abarcar con este enfoque debates y cuestiones que se retroalimentan y plantean la urgencia de rearmar a la sociedad civil la responsabilidad de los medios y alcanzar una igualdad efectiva entre todas las identidades de género Asuntos como el clickbait fake news el poder y la economía la democracia el derecho a una información veraz las emociones la educación y el bienestar los colectivos afectados por los sistemas patriarcales han sido tratados en el presente volumen Hemos discutido en la edición si precisamente para evitar una estructuración que de por sí contraviniese el fin transversal debíamos presentar las aportaciones aceptadas en bloques temáticamente encadenadas o por orden alfabético

Hab a que considerar no s lo los ejes tem ticos sino tambi n la cuesti n geopol tica de origen enfoque econ mico idiomas g nero y perspectiva de g nero de las autor as entre otras consideraciones Tras las diferentes pruebas decidimos presentar los dos bloques de este volumen y al menos ha sido la intenci n esperamos haber sido lo m s coherentes posible en cada uno Esta compilaci n est dirigida a quienes investigan quienes leen por placer o simplemente desean estar al tanto sobre los debates que se est n desarrollando en varias instituciones universitarias y de investigaci n o divulgaci n de mbito internacional
