Genesis 1 11 A Continental Commentary:

Genesis Claus Westermann,1995 **Genesis 1-11** Claus Westermann,1994 As a work of scholarship it is difficult to greet this commentary with anything but enthusiasm It is certainly the most exhaustive and the very best treatment of these chapters available to us today One can have little but praise for the breadth of Westermann s scholarship and for the thoroughness the clarity and the fairness with which his discussion is presented This is a commentary of outstanding usefulness which may be commended without reservation to all serious students of the Old Testament It will stand as the definitive commentary on Genesis for years to come John Bright in Interpretation Westermann s commentary has the merit of taking a definite stand in the hermeneutical debate In the tradition of Gunkel it takes full advantage of the methods of form criticism and of the phenomenological study of religion Again and again Westermann opens up dimensions of meaning which are not only relevant for theology but for human existence in the modern world Bernhard W Anderson Journal of Biblical Literature **The New Mormon Challenge** Francis Beckwith,Carl Mosser,Paul Owen,2002 Written by an international team of respected Christian scholars this freshly researched rebuttal of Mormon doctrine will aid those sharing the gospel with Mormons and those investigating Mormonism on their own Edenic Eve Versus Clonaid Eve Lephon Thank

Kumar,2015-11-25 Human Cloning by virtue of its achievement in the field of medico science has sparked a big controversy across the globe In the contemporary world being a global village no one can claim to be untouched by it It wont take much time to succeed in its attempt to creep into human society as the other discoveries and inventions have done in the past Nevertheless religion has never left science all alone to move on as it wished to make its way into the human society Religion being the core of human society has always checked such developments some time due to her vital role in the society and sometimes due to her legal doctrines that never allow her to think otherwise The objective of this book is to scrutinize the development in the field of Human Cloning in the light of its intentions and implication in marriage family and the larger society In order to fulfill the objective of this book the author has attempted to compare the first mother called Edenic Eve from Christian literature with first claimed human clone from the field of science The primary role of Christian Ethics has been to scrutinize all controversial issues in the society for its good Scrutinizing human cloning is one such attempt

From Noah to Israel Carol M. Kaminski,2005-01-01 The primaeval blessing Be fruitful and multiply and fill the earth first announced to humankind in Genesis 1 28 is renewed to Noah and his sons after the flood in Genesis 9 1 There is widespread scholarly consensus that the ensuing dispersion in Genesis 10 1 32 and 11 1 9 is the means by which the creation blessing is fulfilled Kaminski argues that the primeval blessing is not fulfilled in the Table of Nations and that Yahweh s

scattering Noah's descendants in the Babel story does not contribute positively to the creation theme. Rather the creation blessing is being taken up in the primary line of Shem (Genesis 11:10-26) which leads directly to Abraham. She further suggests that divine grace is not absent after the Babel judgment as is commonly assumed but is at work in the Shemite genealogy. She argues that the primeval blessing which is unfulfilled in the primeval history is taken up by Abraham and his descendants by means of a divine promise. While the blessing is in the process of being realised in the patriarchal narratives it is not fulfilled. The multiplication theme is resumed however in Exodus 1:7 which describes Israel's proliferation in Egypt. This is the first indication that the creation blessing is fulfilled. Realisation of the primeval blessing progresses after the flood therefore from Noah to Israel. Yet God's blessing on Israel is not for their sake alone; it is the means through which the divine intention for creation will be restored to the world. JSOTS413

Emerging as Affirmative Pastoral Caregivers

Beyond Gender Binaries Craig A. Rubano, 2023-11-13. *Emerging as Affirmative Pastoral Caregivers Beyond Gender Binaries*. Gender Creative Promise uniquely brings a gender diverse theological imagination to the field of pastoral theology supplemented by deploying a gender creative interpretative lens on scripture. The reader is introduced to an array of persons diverse in their gender variance: four continua of gender, sex, identity, expression, attraction, a gender affirmative psychotherapeutic model as a template for the field of pastoral theology, common resilience strategies that transgender persons employ in the face of cultural oppression and aspersion, benefits derived from religious affiliation that can enhance resilience and scripturally based principles for delivering affirmative pastoral caregiving beyond gender binaries. The author encourages readers to look within and wrestle with the complexities of their own gendered selves while journeying alongside him to emerge as pastoral change makers in their places of teaching, ministry and caregiving.

The Beginning and the End Michael W. Pahl, 2011-06-01

Have you ever wondered if there might be more to Genesis than fodder for anti-evolutionism? Or have you ever thought Revelation has to be more than simply a roadmap for the future of the Middle East? You're not alone. In *The Beginning and the End*, Michael Pahl surveys the opening chapters of Genesis and the concluding chapters of Revelation, taking seriously both their historical and literary features as ancient texts and their theological purposes as inspired Scripture. The result is a reading of the first and last books of the Bible that sketches out from beginning to end a story of God, humanity and all creation, a grand narrative in which we are placed in the middle and which calls us to live in a particular way as our identity and our values are shaped in light of our origins and our destiny.

Liberation Alejandro F. Botta, Pablo R. Andiñach, 2009 The same Bible that historically has been invoked to support exploitation is also a source of inspiration for those fighting oppression and injustice This collection of essays highlights the different receptions that liberationist hermeneutics has found in a number of contemporary contexts The authors originating from various countries and continents and nurtured by diverse theological insights provide regional overviews of liberating struggles and liberation hermeneutics or engage the biblical text from various perspectives including mujerista and feminist Afrocentric readings This is an enriching panorama of ideas and readings all centered on the Bible as a key to liberation The contributors are Pablo R Andi ach Alejandro F Botta Gerald O West Hans de Wit Erhard Gerstenberger Jione Havea Mercedes L Garc a Bachmann Musa W Dube Theodore W Jennings Jr Luise Schottroff Ada Mar a Isasi D az Monica Jyotsna Melanchthon Lai Ling Elizabeth Ngan and Mortimer Arias **Subject Guide to Books in Print**, 2001 *Tyndale Bulletin*, 2003 **Stop Harassing the Gentiles** Hinne Wagenaar, 2002 Guide to Biblical Chronology Antti Laato, 2015 This Guide to Biblical Chronology aims to explain why different chronological proposals exist for the reigns of kings of Israel and Judah and how the conflicting chronological data preserved in the Books of Kings have come into being The first step is to reconstruct older chronological data so that synchronisms are in harmony with each other Only then can the chronological data be related to extrabiblical documents such a comparison reveals a good degree of correspondence This means that the chronological records of the kings of Judah and Israel during the period between 930 and 586 BCE must have based on reliable annalistic records from royal archives After the destruction of Samaria synchronic chronological presentations of the history of Judah and Israel were composed and the Deuteronomistic editors used them They drew their own conclusions from the source material and created a chronology of their own which sometimes led to the contradictions we can detect in the present form of the Hebrew Bible Another important result is that the 480 year period mentioned in 1 Kings 6 and the 300 year period in Judges 11 are also based on the pre Deuteronomistic chronological tradition even though they are not based on archival material and are therefore unreliable figures The Guide to Biblical Chronology also deals with postbiblical Jewish chronology showing that there were in existence two different and competing chronological systems One was based on Daniel 9 24 27 and followed by Josephus and the other was first advanced by Demetrius the Chronographer in the late third century BCE and was then followed in the Damascus Document from Qumran and in Second Baruch Publisher **Men and Masculinity in the Hebrew Bible and Beyond** Ovidiu Creangă, 2010 c 385 pp 30 47 50 35 Scholar s Price 60 95 70 List Price Hardback Men and Masculinity in the Hebrew Bible and Beyond Edited by Ovidiu Creang The study of masculinity in the Bible is increasingly becoming established as a field of critical inquiry in biblical gender studies This book highlights a variety of methodological approaches that reveal the complex and multifaceted construction of masculinity in biblical and post biblical literature It focuses uniquely and explicitly on men and the world they inhabit documenting changes in the type of men and masculinities deemed legitimate or illegitimate across various social and historical contexts of the ancient Near

East At the same time it interrogates readers assumptions about the writers positioning of male bodies sexuality and relationships in a gender order created to reflect men s interests yet in need of constant reordering In this volume specific features of biblical masculinity are explored the masculinity of less favoured sons in Genesis Susan Haddox the ideology of Temple masculinity in Chronicles Roland Boer the masculinity of Moses Brian DiPalma the performative nature of masculinity in the Sinai episode David Clines Deuteronomy s regimentation of masculinity Mark George Joshua s hegemonic masculinity in the Conquest Narrative Ovidiu Creang Na aman s disability in relation to ideologies of masculinity Cheryl Strimple and Ovidiu Creang Job s position as a man in charge in the Testament of Job Maria Haralambakis Priestly notions of sexuality in the covenant of the rainbow and circumcision in Genesis Sandra Jacobs Samson s masculinity in terms of male honour Ela Lazarewicz Wyrzykowska the popular depiction of Jeremiah as a lamenting prophet against the book of Jeremiah s male ideology C J Patrick Davis the gendered interaction of a Bible study group with Daniel s dreams Andrew Todd Finally David J A Clines and Stephen D Moore offer closing critical reflections that situate the book s topics within a broader spectrum of issues in masculinity
