General Studies Manual By Tata McGraw Hill 2014:

The Textbook of Health Psychology Meena Hariharan, 2024-03-14 This book examines the concept of health psychology following its trajectory from ancient to contemporary times. It analyses the theories, practice and research in health psychology from both Indian and Western perspectives. The volume brings together knowledge diversified across various narrow subfields. It expounds upon physiological psychology, chronic illnesses associated with physiological systems and biopsychosocial approaches to treatment and management with therapeutic interventions integrated throughout the book. It further discusses health promotive and health risk behaviour with reference to health policies and databases at national and global levels. This book will be beneficial to the students, researchers and teachers of psychology, applied psychology, public health, public policy, community health and medical and paramedical studies. It will also be indispensable to the policy makers and NGOs working in the field of public health.

General Studies Manual 2010 T M H, Waste Valorisation and Recycling Sadhan Kumar Ghosh, 2019-01-29 This book gathers high quality research papers presented at the Seventh International Conference on Solid Waste Management held at Professor Jayashankar Telangana State Agricultural University Hyderabad on December 15-17, 2017. The Conference IconSWM 2017 is as an official side event of the high level Intergovernmental Eighth Regional 3R Forum in Asia and the Pacific. As a pre event it also aims to generate scientific inputs to the policy consultations at the Eighth Regional 3R Forum co organised by the UNCRD, UNDESA, MoEFCC India, MOUD India and MOEJ Japan. At the IconSWM 2017, researchers from more than 30 countries presented their work on Solid Waste Management. Divided into three volumes, this book shares their papers which address various issues related to innovation and implementation in sustainable waste management, segregation, collection and transportation of waste, treatment technologies, policies and strategies, energy recovery, life cycle analysis, climate change and research and business opportunities.
