Genesis A 12 Week Study Knowing The Bible:

Genesis Mitchell M. Kim, 2013-04-30 The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12 week study covers one book of the Bible and is made up of four basic components: 1 Reflection questions designed to help readers engage the text at a deeper level; 2 Gospel Glimpses highlighting the gospel of grace throughout the book; 3 Whole Bible Connections showing how a given passage connects to the Bible's overarching story of redemption culminating in Christ; and 4 Theological Soundings identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians cherish the message of God's grace on each and every page of the Bible. In this study of Genesis, pastor Mitchell Kim leads readers through the first book of the Bible, uncovering the meaning of the text while exploring important applications for everyday life. From explaining the true significance of the creation account to investigating God's gracious calling of the nation of Israel, this book highlights how the storyline of Genesis foreshadows and connects to the good news about Jesus, the long-awaited seed of the woman. With penetrating exegetical insights and thought-provoking application questions, Kim has crafted an invaluable guide for those seeking to better understand this foundational book. The Wiersbe Bible Study Series: Genesis 12-25 Warren W. Wiersbe, 2012-07-01

What is the secret to an obedient life? A faith that trusts in God. The life of Abraham offers a powerful look at how obedience through faith can change us and impact the world. This study examines Abraham's journey from an everyday person to the patriarch of faith and shares foundational principles for obedient living. Wiersbe Bible Studies deliver practical, in-depth guides to selected books of the Bible. Featuring insights from Wiersbe's *Be Obedient* commentary, this eight-week study features engaging questions and practical applications that will help you connect God's word with your life. James Greg Gilbert, 2013-04-30 Through clear exposition and application questions, Gilbert helps us rightly understand the book of James, which was written to fortify the connection between genuine faith and heartfelt obedience. *Think and Believe* Frederick W. Marks, 2012 A coherent, forceful, and compelling case for God and the Church founded by Jesus of Nazareth. This is a remarkable achievement of solid factual information that is loaded with ammunition for the new evangelization. Contains colorful vignettes of historic moments alternating with sustained argument. Marks challenges the reader to set aside long-held assumptions and prejudices. Jesus is the only one who proclaimed himself sinless and the only one who ever claimed to be God. His followers converted an entire empire without resort to violence, and after winning Rome, they not only gave the world its calendar but transformed pagan culture beyond recognition. These hard-cold facts are presented here with copious notes for easy identification of persons, events, or doctrines that may be unfamiliar. The reader will also find a detailed index and useful appendices. **CSB Study Bible, Large Print Edition, Hardcover** CSB Bibles by Holman, 2018-03
