

A SOUL SAVERS NOVELLA

A winged figure, possibly an angel or demon, is shown from the chest up, holding a sword. The figure has large, feathered wings on the left and bat-like wings on the right. The figure is set against a dark, stormy sky with a bright light source behind them, creating a silhouette effect. The figure's face is obscured by a dark circle.

Wrath Kristie Cook, 2013-08-15 Will a mother's wrath make her cross the line I didn't want to cry. For once in my life, tears evaded me. Perhaps because I refused to grieve this loss because it wasn't a loss in my eyes, in my heart. It was a call for war, yes. But not a loss. I wouldn't allow it. Besides, I was too mad to cry even in my exhaustion and anger would get me much further. As I curled my body around Sasha's, though I realized the anger within me had changed. I no longer felt irrational and blinding fury that dulled all other emotions. But that was okay. I really didn't want to be Psycho Alexis. This, what I now felt in every cell of my body down to the core, was better. My anger had condensed and solidified into a cold, hard stone settling within me. Something I could control and hold onto for the long term to keep me going and focused on the goal. Wrath. That's what I felt. And there was nothing worse than the wrath of a pissed-off mother.

The Space Between Kristie Cook, 2013-11-28 *Knights of Souls and Shadows* Kristie Cook, 2021-06-18 Never make a deal with a fae, they say. But sometimes there's no choice, consequences be damned. As daughters of the Amadis royal family, my twin Brielle and I should have been helping our people rebuild civilization after the War of Armageddon. Instead, our mother does the unthinkable, possibly sparking a new war, and we're whisked away to another realm to hide us from our enemies. When we return home, we discover our parents are missing, our people have scattered, and every faction hunts the Knight twins. Some are obsessed with claiming our formidable power for themselves. Others simply want us dead. Still, I can't believe we're home for less than a day when I end up as Winter Court's prisoner in Faery. And it only gets worse from there. To protect my sister, I've made a deal with a fae that shatters any hopes for my own future. A dark prince ignites something in me that feels all wrong and oh, so right. And then there's the enchanting princess I ache for yet can never have. Foes become allies, friends become traitors, and one truth emerges with clarity: war is imminent. My only hope to protect everyone I love is to harness the dark power within me, a force that can save worlds or annihilate us all. If I fail to control it, someone else will. But to master it, I
