Epiphany Students Guide Thinking Right:

Epiphany Lance Hodge, 2015-12-14 Our brains aren't mature until we're twenty-five years old until then we may not be able to make wise choices This book talks about the implications of miswired brains as it applies to liberal thinking and the effect of an immature prefrontal cortex on critical thinking political correctness and politics This book will make you think and if we're lucky offer up an epiphany that could change your life Anecdotes and Afterthoughts: Literature as a Teacher's Curriculum Edward Podsiadlik III, 2014-09-23 This qualitative journey explores how literature informs and challenges my understanding of teaching and learning Insights questions and conflicts are revealed through a series of essays in which my evolving teacher identity is illuminated through literature and imagination Hopefully reading this portrayal of literature which has been a source of educational insight and imagination for me will be of use to other educators as they reflect on their own teaching The primary works of literature used to facilitate this journey are *The Red Badge of Courage* 1895 *Les Misérables* 1862 and *American Idiot* 2004 *Light in August* 1932 *Seinfeld* scripts 1991-98 and *Frankenstein* 1818 and *The Odyssey* Night 1960 and *The Souls of Black Folk* 1903 By delving beneath my exterior teacher mask a collage of images anecdotes reflections aspirations and fears is exposed As a resource for pre-service teachers or a reflective exercise for veteran teachers this study aims to benefit educators by providing a new pathway through which to better understand their intrinsic identities as teachers Each chapter concludes with Recommendations for Reflection that readers are encouraged to consider individually and/or collectively The spirit of daydreams allows me to integrate literature autobiography and imagination through inventive and inspired discourses with literary figures using authentic quotations as content for original commentaries that further examine the intrinsic nature of teacher identity My hope is that this journey will inspire other educators to further reflect on realities and possibilities of what it means to be a teacher *Children's Writer Guide to 2006* Susan M.
