and mysterious than ever With each passing generation new theories and suspects spring up adding a new page to a legend that has turned Jack from a historical figure into a mythical character who has become a star of folklore literature and cinema Within these pages Victor Stapleton embarks on a quest to uncover the real tale of Jack the Ripper retracing his bloody tracks through the foggy alleys of London to finally reveal the true story of Jack the Ripper *Complete Jack The Ripper* Donald Rumbelow, 2016-02-18 Fully updated and revised Donald Rumbelow's classic work is the ultimate examination of the facts theories fictions and fascinations surrounding the greatest whodunit in history The Complete Jack the Ripper lays out all the evidence in the most comprehensive summary ever written about the Ripper Rumbelow a former London Metropolitan policeman and an authority on crime has subjected every theory including those that have emerged in recent years to the same deep scrutiny He also examines the mythology surrounding the case and provides some fascinating insights into the portrayal of the Ripper on stage and screen and on the printed page More seriously he also examines the horrifying parallel crimes of the D sseldorf Ripper and the Yorkshire Ripper in an attempt to throw further light on the atrocities of Victorian London **The Complete Jack The Ripper A-Z - The Ultimate Guide to The Ripper Mystery** Paul Begg & Martin Fido, 2015-03-05 Hugely respected extensively quoted and widely regarded as the bible of Ripper studies The Complete Jack the Ripper A to Z is the ultimate reference for anyone fascinated by the Jack the Ripper mystery This new rewritten up to date edition includes sources and well over 100 photographs The Complete Jack the Ripper A Z has an entry for almost every person involved in the case from suspects and witnesses to policemen and journalists plus the ordinary people who became caught up in the unfolding drama Written by three of the world's leading authorities on the case it takes a completely objective look at theories old and new describes all the key Ripper books and gives potted biographies of many of the authors Whether you are new to the mystery of Jack the Ripper or an experienced Ripperologist The Complete Jack the Ripper A Z will keep you turning the pages Fascinating and entertaining reading in its own right it is the essential reference to have beside you when you venture into the dark alleys of Victorian Whitechapel *Jack the Ripper* Paul Begg, 2013-10-03 The clearest most accurate and most up to date account of the Ripper murders by one of Britain's greatest and most respected experts on the autumn of terror in Victorian London William D Rubenstein Professor of Modern History University of Wales Aberystwyth England in the 1880s was a society in transition shedding the skin of Victorianism and moving towards a more modern age Promiscuity moral decline prostitution unemployment poverty police inefficiency all these things combined to create a feeling of uncertainty and fear The East End of London became the focus of that fear Here lived the uneducated poverty ridden and morally destitute masses When Jack the Ripper walked onto the streets of the East End he came to represent everything that was wrong with the area and with society as a whole He was fear in a human form an unknown lurker in the shadows who could cross boundaries and kill Jack the Ripper The Definitive History is not yet another attempt to identify the culprit Instead the book sets the murders in their historical context examining in depth what East
