Eleven Two Capture Survival Freedom:

Odyssey of a Bombardier John J. Hurt, Steven E. Sidebotham, 2014-09-26 *Odyssey of a Bombardier* is the illustrated Prisoner of War log that depicts the experiences of bombardier Richard M Mason in German prison camps after his B 17 Flying Fortress was shot down by the Germans in France in 1944 the final year of World War II The log follows Mason from the day his plane crashed until his liberation in April 1945 and his return home to the United States Included are such topics as medical treatment and rehabilitation for wounded prisoners of the Germans life in Stalag Luft III a difficult long march in an arctic winter to another camp the travails of prisoners in the overcrowded filthy camp at Moosburg critical food shortages and the arrival of General George Patton with the liberating forces Mason was an amateur artist and illustrated his journal with moving depictions of prison life and comradeship This book shows U S airmen demonstrating grace and courage under pressure and meeting every challenge that their imprisonment presented From Bataan to Freedom Judy Reed, 2024-02-07 Errett Lujan served during World War II with the U S Army 200th 515th Coast Artillery Anti aircraft Regiment in the Philippines the largest regiment on the islands when the Japanese invaded just hours after Pearl Harbor The regiment was credited as both the first and the last to fire on the enemy before surrendering Lujan survived the invasion the Bataan Death March and more than three years in POW camps After the war he said little to his family about his harrowing experiences Written by his daughter this lovingly researched narrative pieces together the story of his service and his imprisonment drawing on Lujan s diaries and letters and original interviews with 200th 515th survivors and former POWs Japan's Fight for Freedom Herbert Wrigley Wilson, 1904 Beyond Survival Kofi Anyidoho, Abena P. A. Busia, Anne V. Adams, 1999 Even in the best of times the artist is constantly reaching beyond the present the severity of Africa s present situation of crisis must urge our artists even farther into their version of a new life In *Beyond Survival* some of the best interpreters of African Literature focus on the role of the creative artist as a critical assessor confidence builder and inspirer to excellence The central theme of this important collection of essays is inspired by the belief that given the severity of the current crisis of life for African peoples and given the intuitive and cultivated ability of the creative artist to monitor and accurately capture the complexities of any human institution close attention to the world of African and African heritage writers should provide not only important insights into various dimensions of the problem but also and perhaps even more crucial subtle but reliable pointers to probable solutions More than any other group of people it is perhaps to the artists we must turn for a creative but ultimately realizable vision of the future The contributors fall under five broad headings beginning with an introductory section featuring three important addresses delivered during the 1994 ALA annual conference in Accra Ghana at which these papers were first presented as well a specially commissioned essay in memory of the late Flora Nwapa one of Africa s best known pioneer women writers The four other sections present a total of twenty essays focussing on Shifting Paradigms New Life Language and Artistic Tradition New Life Language Literature and Resistance Strategies *The Condor*, 2003
