

+ Essential Questions

What are the traits of an essential question?

- The question probes a matter of considerable importance.
- The question requires movement beyond understanding and studying - some kind of action or resolve - pointing toward the settlement of a challenge, the making of a choice or the forming of a decision.
- The question cannot be answered by a quick and simple “yes” or “no” answer.
- The question probably endures, shifts and evolves with time and changing conditions - offering a moving target in some respects.
- The question may be unanswerable in the ultimate sense.
- The question may frustrate the researcher, may prove arid rather than fertile and may evade the quest for clarity and understanding.
