

The background of the book cover is a painting of a stone bridge over a river. The bridge has a low wall and a wooden railing. In the distance, a monk in a brown robe is walking across the bridge. The scene is set in a lush, green landscape with trees and foliage. The overall style is that of a classical painting.

Secular Monasticism Jane Fitz-Gibbon, Andrew Fitz-Gibbon, 2012-09 Like an underground river the monastic tradition keeps on resurging in a host of unexpected times and places *Secular Monasticism A Journey* describes one of its most recent incarnations The founders and members of the Lindisfarne Community share with us their bold attempt to be a secular monastic religious order open to the exigencies of the contemporary world Age old wisdom once again reveals its perennial relevance in helping us learn how to be followers of Christ in God s today Brother John Taiz In the first five pages I thought of ten people I know who should read this book young people old people all people tired of taken for granted spirituality Devour this book Let it help you dream up a way of joining or creating a micro community of prayer and action that frees you to experiment in following the ways of Christ That s what these folks have done This story helps us imagine ourselves out of the boxes and buildings Christianity has become The Rev Dr Dori Baker Scholar in Residence The Fund for Theological Education Lindisfarne Community has graciously accepted God s call to dance with the radical and sometimes wearying changes of our time Like the Celts they find meaning in their ongoing spiritual evolution through poetry and story through a willingness to navigate the waters of the soul while remaining fiercely loyal to the good earth that bore us and nurtures us Like the Celts this family of secular monastics hungers more for mystical union with the Divine Mystery than for any trappings of earthly renown or success Carl McColman author and blogger from the foreword
